

## **New Hope Crystal Plymouth Swim Club**

### **Mission Statement**

**NHCP Swim Club** NHCP strives to inspire and prepare our members to set, plan for, and achieve their highest goals in both swimming and their personal lives within a positive, safe, and supportive skill-based environment

### **Core Objectives**

As a member of USA Swimming, **NHCP** supports USA Swimming's three core objectives. **NHCP** and USA Swimming encourage all members to participate in the local, regional and national efforts to ensure that these objectives are accomplished.

### **Build the Base**

We strive to recruit and retain athletes of all ages, with a focus on building a strong membership base that will thrive for many years, including developing young swimmers and striving for excellence at all levels. We are interested in developing young athletes whose commitment to swimming and **NHCP** will continue to grow, and in nurturing the talents of athletes who are prepared to compete at the highest possible level.

### **Promote the Sport**

We are dedicated to giving back to our community in a way that benefits those in our neighborhoods, promotes the sport of swimming, and generates interest in swimming among typically underrepresented populations in our sport. We are proud of our sport and the accomplishments of **NHCP's** athletes; we want to generate enthusiasm for swimming in those around us. We are committed to involving our athletes in volunteerism, being responsible members of our community, and promoting a unified team approach to pursuit of goals both in and out of the pool.

### **Achieve Competitive Success**

**NHCP Swim Club** has been committed to its athletes for more than 30 years. In that time, **NHCP** has established itself as a competitive club, with many accolades at the state, regional, and national levels. We seek to further this tradition of competitive excellence by providing programs that meet the needs of our memberships. We are dedicated to providing programs that are designed for progressive development among swimmers, from those who are novice competitors to those who compete at the national level.

The New Hope Crystal Swim Club is a 501(c)(3) non-profit charitable organization. As such, we are eligible to receive support from the local United Way. If your employer sponsors the United Way campaign, you can designate all or a portion of your contributions to go to the New Hope Crystal Plymouth Swim Club. Make a pledge to the club by using the agency name listed below during your corporate campaign
