It is further understood and agreed that Minnesota Swimming shall be free and held harmless from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.

**Meet Director:** Kelly Burrows (507) 995-1075 manmeetdirector@gmail.com

**Inquiries:** Alex Lindstrom (612) 251-0077 headcoach@mantasswimclub.com

**Emergency Phone:** (507) 317-4648

**Meet Type:** This is a 2 ½ day meet to provide a scored season ending championship for swimmers with verifiable times equal to or faster than the "MRC" standard but slower than the "CH" standard, regardless of course. All new "CH" times achieved and each individual event winner, regardless of finish time, advance to the state meet. That means, "Win it and swim it!" This is a closed meet. Only swimmers from the MN LSC can participate. Teams must attend their assigned zoned meet.

**Advancing to the State Meet:** 1. Individual event champions are eligible to advance to State when the event is offered at State. That means, "Win it and Swim it!"

2. All swimmers who achieve new "CH" times are eligible to advance to State regardless of whether they are an individual event champion or not.

**Athletes with disabilities:**

Swimmers with a permanent disability as defined by USA Swimming are welcome to participate in this meet. Swimmers will use the 2018-2019 Minnesota Para time standards to qualify. They must have a verifiable minimum MRC but slower than CH in the SWIMS database or from results published by a bona fide sanctioning body, within the eligibility period for the meet, for the event(s) they wish to enter.

The entering coach or swimmer must contact the Referee to discuss any modification for the disabled swimmer to participate. Swimmers entering under this criterion must be noted on the team's Proof of Time report. Disability swimmers may choose to swim their events with their able-bodied peers or as a separate Para Event. Events will be separated for awards by classification, age-group and gender.

**Fees:**

\$3.00 MSI Entry Fee, \$7.50 per individual splash (\$5.50 Splash Fee + \$2.00 Facility Splash Fee), \$30.00 per relay splash (\$22.00 Relay Splash + \$8.00 Facility Splash Fee).

With the adoption of Policy 239, attending athletes will no longer have to pay a separate facility fee as set by the different championship hosts. The Championship Facility Splash Fee is created by adding together all of the MAC & MRC facility costs and dividing by the total number of estimated splashes for all sites. This allows all athletes to pay the same individual splash fee regardless of their zoned site and each athlete pays for the splash fee only for those swims they have entered.

**Time Schedule:**

Friday afternoon session – Warm-ups at 1:45 PM to 2:45 PM meet starts at 3:00 PM. Saturday and Sunday Morning sessions: Warm-ups start at 7:00 AM to 8:15 AM, meet starts at 8:30 AM. Age of a swimmer is determined by their age on the first day of the meet. There is a meet maximum of seven (7) individual championship events. Daily maximum of four (4) individual championship events. A total daily maximum of six (6) individual events (championship and time trial). Relays do not count against individual maximums. All entries must be verifiable from January 1, 2018 to present.

**MRC Relays:**

Relays will be offered according to the following categories – 10&U, 11-12, 13-14, Senior for each gender. Each club is limited to an A and B relay per event.

1. No “relay only” swimmers will be permitted to participate on relays. All swimmers must have qualified to swim an individual event in the regional championship in order to participate on relays.
2. Once a swimmer is qualified for the regional championship there is no minimum time they must have to swim a specific stroke/distance on a relay.
3. Any swimmer who has a “CH” time in a stroke/distance may not swim that same stroke/distance on a relay. NOTE: This does not apply if the swimmer achieves a new “CH” time in that stroke/distance event during the regional finals.
4. For 10&U relays they must be comprised of swimmers up to age 10 who are:  
Qualified for the regional championship in their age group **and**,  
They do not have a “CH” time according to the 10 & under time standards in the stroke/distance they are swimming on the relay.  
For Senior relays they may be comprised of swimmers of any age who are:  
Qualified for the regional championship in their age group and,  
Do not have a “CH” time according to the time standards for their age in the stroke/distance they will be swimming on the relay. No swimmers qualified for the age group state meet prior to the MRC may compete as relay lead-off swimmers in the same stroke and distance on a Senior relay.
5. Relay participation will not count against individual daily or meet maximum entry limits.
6. “Win it and Swim It” does not apply to relay event winners. Relays at State are entered according to the rules for the State Meet.
7. **Initial splits for venues that require in-water starts for the 200 Medley and 200 Free Relays:**  
– **For venues that require in-water starts at the turn end of the pool, initial splits will NOT be loaded into SWIMs after the meet without the following:**
  - a. Sign-up at the Admin Table prior to the race
  - b. 2 watch times being recorded for the initial split and being brought to the Admin Table following the race for recording purposes.

- c. Coaches must supply 2 watches and 2 timers to do the recording of the times.
- d. Reminder – only registered coaches/swimmers/officials allowed on the pool deck.

**Nonconforming time entries:** All non-conforming qualifying times MUST be entered as non-conforming. Converted times must not be used.

**“CH” Time is a “CH” Time:** Swimmers who have achieved a “CH” time in either yards or meters CANNOT swim that event at the Minnesota Regional Championship. MSI Legislation states that swimmers with “CH” times must enter with the time they have, (meters or yards), for the State Meet and cannot use Minnesota Regional Championships as an opportunity to improve their qualifying time.

**Proof of Times:** A qualifying time may be achieved at USA Swimming sanctioned or approved, or observed swim. These times are verified through the USA Swimming SWIMS database.

A qualifying time may also be achieved at a bona fide meet sanctioned and conducted by a recognized organization (i.e. high school, college, YMCA) with verifiable and independently obtainable results published by the meet host or that organization. This proof of time must come from the actual published results of the meet. Each team or individual is responsible for providing their proof of times.

A swimmer failing to achieve an event's qualifying time standard at the meet must provide proof of their qualifying time if it is not in the SWIMS database. If a time is not proven the entering party will incur a \$100 fine. Fines are to be paid to the MN Swimming General Fund. All fines must be paid by the end of the meet. After the conclusion of the meet, swimmers/clubs have one week to prove their times and have their fine refunded. Failure of the team to pay the fine by the first meet of the following season’s entry deadline will result in the team’s charter being suspended until the fine is paid.

When an event does not have a qualifying time standard but requires a verifiable entry time, the swimmer must provide proof of that time if it is not in the SWIMS database. If the entry time cannot be verified the swimmer will be withdrawn from the event and any times they may have achieved in that event at the meet will not be included in the official results.

**Aging up:**

**Qualifying criterion for regional championship swimmers who *age-up* July 15 – July 19, 2019**

Swimmers are allowed to swim the events from their old age group in which they had “MRC” time(s), in their new age group, provided:

- They are either 8 becoming 9, or 10 becoming 11 or 12 becoming 13 or 14 becoming 15.
- They have MRC time(s) in their old age group before the Minnesota Achievement Championships (July 13, 2019)

“MRC” times made for the younger age group at Minnesota Achievement Championships **may not** be entered in the Minnesota Regional Championships under this provision.

This affects only those events in which a swimmer had MRC times for Minnesota Achievement Championships (old age group) and do not now have “MRC” times (new age group). Swimmers being entered under this new criterion must note this on the hard copy of the entry sheet. All seed times must be in either long course meters (seeded first) or short course meters (seeded next), short course yards (seeded last).

Swimmers meeting these criteria should enter the meet with a provable seed time. A note should be sent to the entries coordinator explaining that they are entering under the age-up exception. The swimmer will be eligible to receive awards. Relay eligibility is based on the regional championship criteria for that relay type in their new age group.

**Time Trials:**

Time trials will be offered, time permitting at the discretion of the meet referee. Time trials are open only to swimmers in the meet. Swimmers may swim a total of six (6) events per day including Championship and Time Trial Events. Sign up will be at the Admin/Meet Management table. There will be a cost of \$10.00 per time trial event. A 10 minute warm-up for time trials will be allowed as time permits at the discretion of the meet referee. Time trial swimmers are required to supply their own timer.

- Any time trial must be submitted by the athlete’s coach.

**Time Standards:**

MN Swimming Time Standards – the most current edition published on the MSI website will be used. Senior boys and girls will use the 15-16 time standards to qualify.

**Meet Lane Timing Needs:**

A motion was passed on 10/20/1998 that states: “During all MSI regularly bid, sanctioned events, visiting clubs will provide timers as necessary for the duration of the competition. The meet will not begin until the timing needs have been met. The host club may not place requirements on any individual team to participate at any specific level.”

If your club would like to help out on a specific time or day, please contact the Meet Director.
