

Welcome to Aqua Gems Fall/Winter 2020-21

Season runs Sept through end of March

PLEASE READ THE ENTIRE PAGE AS THERE ARE CHANGES IN THE REGISTRATION PROCESS!!

The Fall/Winter Session will start on Tuesday, September 8th. For now the only pool available is Goshen. By law we are limited to the number of swimmers that can practice at a given time thus registration will be limited this year. We will have evening hours during the week along with morning hours Saturday and afternoon time on Sundays. Use of the pool will be determined by the number of swimmers that register by group. We are doing everything we can to get practice time for as many swimmers as we can. I trust everyone understands this is a fluid time and requires us all to be flexible.

EVERYONE MUST REGISTER ON-LINE. THERE ARE NO PAPER FORMS.

Returning swimmers will be given registration preference until Wednesday, August 26th. At that time registration will open for new members. We expect to fill our roster soon so please do delay in registering. ALL swimmers must provide their own gear to include goggles, kick boards, snorkels etc. No sharing of equipment is allowed.

Due to the time it takes to post payments and the number of past due accounts you will now be required to pay via credit card at time of registration. Each account also must have a credit card on file to pay the monthly bill. There will be an option to pay an installment plan or a one time charge. You will receive a discount for paying the full fee at time of registration. Payment option details are listed below.

A reminder - all accounts must be paid up to date before swimmers can start the next session so please pay your past due balances ASAP. Any past due balances will be added to your bill and are due at time of registration for the 2020-2021 season.

Some notes on the registration process:

- You will be asked to choose a group for each swimmer. There is a definition for each group when you reach that point. Be honest about the swimmer's ability. We can adjust the billing later to reflect the correct group if necessary. Swimmers who are promoted to a higher level by 12/1 will be billed on a pro-rated basis for the remainder of the season.

- IF YOU HAVE MORE THAN ONE SWIMMER please be careful. After adding the first you will be placed on the bottom of a page with a CONTINUE button. DO NOT CLICK ON THIS IF YOU NEED TO ADD ANOTHER SWIMMER. Go to the top of this page and use the ADD MEMBER button.

Returning members. If you have an account DO NOT CREATE a new one. Email me so I can send you login instructions. If you have changed email addresses please let me know so I can fix up the existing account and get you access.

Volunteer hours – previously each family was responsible for working 6 sessions (a morning or afternoon) at the meets we host. For now this requirement has been suspended. We still require volunteer assistance as our team is not-for-profit and may send out requests as the season progresses.
