10 & Unders	\$1,300	\$1,250	\$217
Little Eagles	\$800	\$750	\$134

Policies

- All payments are non refundable.
- Credit card processing fees will be added to the monthly invoices.
- Accounts must be current in order to participate in practices and meets. A \$25 late fee is automatically charged by the system.

Tuition

- The first payment begins on October 1st and the remaining payments continue on the first of the following months.
- Families can opt into the pay in full option and receive a \$50 discount. Contact Swim@HauppaugeSwimming.com by 9/24/22 to enroll.
- 5% sibling discount for the 2nd swimmer and 10% for the 3rd swimmer.
- Payment for the full tuition is required regardless of participation status.

Registration Fee

- A \$200 registration fee is required to activate your account.
- The registration fee includes 2 team caps and 2 team shirts for each active swimmer in your family.
- Returning families will be invoiced on 9/1/22. New families will pay the fee during the online registration process.

USA Swimming Insurance Fee

- **This is a new process for 2022 - 2023 required by USA Swimming.**
- Families will now register an account with USA Swimming and pay the **\$80 Premium Athlete Membership** for each swimmer to participate on our team.

Meet Fees

- Meet fees are set by the meet host and are published in the information packet.
- We bill our team at the beginning of the following month and pay the host.
- Meet fees are typically \$5 - \$8 per event plus a \$10 swimmer fee. Swimmers typically swim 3 events per day.

Obligation To Pay Meet Fees

- Once our meet entry is submitted to the meet host and accepted we are bound by the rules of the information packet.
- One of the rules within the information packet is that meet fees must be paid before we attend the meet.
- Since we already paid for the meet fees based on commitment, you're obligated to pay the meet fees even if your swimmer doesn't attend.

Home Meet Volunteers

- We rely on parent volunteers to host our home meets that other teams attend and our team only meets.
- These hosted meets are an opportunity for our swimmers to conveniently compete in our pool and they also serve as a fundraiser for our team.
- Non volunteers will be invoiced a volunteer fee for the following meets: \$100 December Eagle Invite.

Non Home Meet Volunteer Requirements

- Some meets that we attend require us and other attending teams to volunteer.
- Failure to comply with these rules will result in our swimmers being removed.
- These volunteer requirements are separate from our home meets. They don't count towards our home meet volunteer fee.

Events

- Apparel and Equipment: Cost varies based on products ordered.
- Relay Carnival: \$40 per swimmer for shirt, cap, surcharge and entry fee.
- Picture Night: Cost varies based on packages purchased
- Holiday Party: \$25 per family.
- Team Travel Championship Meet: \$25 per swimmer travel fee
- Dinner Dance: \$65 per adult and \$40 per child.
- Non Meet Events: Cost varies based on the event.

Payment Obligation

- It's the Club's policy that payment of the first tuition is your acknowledgement that you have received clearance from your swimmer's primary care physician that the swimmer is cleared to participate in all club practices and events, and you agree to be bound by all policies of the Hauppauge Athletic Association as published on this website or elsewhere, without limitation:
 1. Code of Conduct – Specifies what is expected of swimmers and their families.
 2. Photo Release – Gives the Club permission to use your child's photo.
 3. Obligation to Pay – Payment of the entire dues amount for the full season is due whether or not your child leaves mid-season; no refunds or pro-rated adjustments.
