

Safety Policies - Updated 8/27/22

Locker Rooms

- Adults are not permitted to use the locker rooms.
- The locker rooms are only available to swimmers for bathroom use.
- Swimmers must come to practice with their suit on and leave with their suit on.
- Changing on the pool deck is not permitted.

Spectators

- Spectators are not permitted on the pool deck unless they've signed up for a volunteer position at one of our swim meets.
- Avoid crowding the pool hallway and the space between the bleachers at the high school before, during and after practice.
- All practice spectators should sit in the deep end bleachers at the high school.

Parking Lot

- Use caution when driving through the parking lot. Obey all stop signs, slow down for speed bumps and be cautious of new high school drivers and school buses.
- Don't park in the fire zones, handicap spaces and bus parking spaces.
- Use caution when approaching the pick up and drop off area by the pool doors.

School Safety

- The school district asked us to modify our entry and exit procedures.
- Please be patient with both coaches and school staff throughout this process.

Photography

- Volunteer photographers must fill out the Photographer Registration Form attached to the end of the meet information packet. These parent volunteers are the only ones permitted to take pictures from the pool deck at our home meets.
- Cell phones and picture taking are not permitted behind the blocks at meets.

Courtesy

- Positively interact with coaching staff, school staff and respect school property.
