August 1, 2019

\$74 USA Swimming insurance fee.
\$50 per swimmer (max \$100 per family) Hauppauge registration fee.

September 1, 2019

Pay in full accounts with 5% discount
1st of 7 monthly payments for all other accounts

October 1, 2019

\$200 volunteer fee which can be credited back by working sessions at our home meets.
Families can earn \$50 for 1 session at our October meet and \$150 for 3 sessions at our December meet. Sessions must be worked by an adult 18 years of age or older.

Meet Fees

Meet fees are set by the host. We bill our families at the beginning of the following month and pay the meet host directly. September meet fees are paid on October 1 as an example.

Obligation To Pay Meet Fees

Once our meet entry is submitted to the meet host and accepted we are bound by the rules of the information packet. One of the rules within the information packet is that meet fees must be paid before we attend the meet. Since we already paid for the meet fees based on commitment, you're obligated to pay the meet fees even if your swimmer doesn't show up.

Non Home Meet Volunteer Requirements

Some swim meets that we attend require us and other attending teams to volunteer. Failure to comply with these rules will result in our swimmers being removed from the meet. These volunteer requirements are separate from our home meets. They don't count towards our home meet volunteer fee.

Costs For Other Events

August - Apparel and suits. Cost varies based on products ordered.

August - Equipment for swimmers. Cost varies based on products ordered.

September - First meet of the season. All swimmers billed \$25 for team caps and shirt.

November - Picture night. Photos can be purchased. Free shirt for swimmers.

December - Holiday Party. \$25 per family.

April - Last meet of the season. All swimmers billed \$25 for team caps and shirt.

June - Dinner Dance - \$43 per person. Child and adult.

Payment Method

All fees paid by credit card through your account on our website. A credit card must be entered before a swimmer can participate on the team.

Timely Payment

All accounts must be current in order to participate in practices and meets.

Payment Obligation

It is the Club's policy that payment of the first installment of tuition is your acknowledgement that you have received clearance from your swimmer's primary care physician that the swimmer is cleared to participate in all club practices and events, and you agree to be bound by all policies of the Hauppauge Athletic Association (Hauppauge Swim Club), as published on this website or elsewhere, without limitation:

1. Code of Conduct – specifies what is expected of swimmers and their families.
2. Photo Release – gives the Club permission to use your child's photo.
3. Obligation to Pay – payment of the entire dues amount for the full season is due whether or not your child leaves mid-season; no refunds or pro-rated Adjustments.
