2020-2021 Registration Dues – Updated

Metropolitan Swimming Board of Directors has adjusted the Club registration fees for the 2020-2021 registration season.

A Metro Club, when registering for 2021 will pay only the \$70 USA Swimming portion of the club dues upon registering. Clubs that are not restarting this fall are encouraged to still register their club for 2021 to retain their club membership.

The balance of the dues, including scholarship contributions and the one-time crisis fee, will be based on team numbers as of January 15, 2021. The bills will be assessed on January 30th, 2021. This is for the 2021 registration period only.

It is the board's hope that this will help get clubs back on their feet for 2021 and not to overwhelm them with start up fees.
