Additional Fees:

Meet Fees: Fees vary. Quad/Dual/Mini type meets are \$2 total. Invitational/USA meets are charged by the number of events entered, usually \$5 per event, plus surcharge. **Surcharges are \$10 per meet in-state within 60 miles, \$30 in-state over 60 miles, \$35 Midwest area (IN, OH, etc.), and \$50 national meets, plus LSC fee (\$1-3).** Once you commit your swimmer to a meet, fees are not reversible or refundable for any reason.

Fundraising/Volunteer Commitment: Although GLT does not have a fundraising minimum requirement, we do ask families to participate in fundraising events. In order to keep our dues low, fundraising has been a vital necessity for GLT. Each family is encouraged to participate when they can. We strongly encourage ALL SWIMMERS to participate in our annual Swim-A-Thon with a goal of raising \$150 per swimmer (Date TBD). We also require each family to volunteer time to work 2-3 shifts at the GLT Tsunami Meet which will be held December 2022. A fee of **\$50 per shift will be charged** to those who do not volunteer for the minimum required shifts.

Multiple Swimmers:

Families with multiple swimmers receive a 10% discount on session dues PER SWIMMER! (no discount on registration).

Payment Information:

*Due to the structure of our program, session fees **cannot be prorated** or refunded. Session fees must be paid in full even if session is not completed (except in extraordinary circumstance such as disabling injury). We require online payment by credit or debit card.
