

## **MAKOS TEAM SPONSORSHIP INFORMATION**

The Makos Swim Team started with four families at one pool! The team has two practice sites and has team members from Madison, Hinds, and Rankin counties. The team competes year round and attends meets throughout the state as well as the Southeast region.

Sponsors, both corporate and individual families, can support the Makos Swim Team by providing a level of support that allows the team to provide some of the 'extras' for its swimmers. (e.g. extra equipment, social events, awards banquets, motivational prizes, trips, etc.) not covered by regular dues.

The Makos Swim Team hosts two invitational meets per year and host many other meets such as high school, summer league, and masters' meets during the year.
