Shockwave Aquatics (“SWAT”) is operated by Tupelo Aquatic Club, Inc. as a not-for-profit organization. SWAT is managed by Head Coach Lucas Smith & Assistant Coach Barbara Aguirre and the SWAT Board of Directors.

MISSION STATEMENT

The mission of Shockwave Aquatic Team is to develop student athletes throughout Tupelo & North Mississippi by providing quality coaching, necessary training and encouragement among all age groups. Shockwave’s goal is to empower young people to be champions in and out of the water for a lifetime.

This handbook is a guide to help orientate parents and swimmers to the Shockwave Aquatics team (SWAT). Whether you are a new or returning Shockwave parent/swimmer, please read the following guidelines which outline the policies and procedures of Shockwave.

ABOUT SHOCKWAVE

We are a year-round, competitive swim program that is dedicated to advancing the sport of swimming in North Mississippi. The SWAT coaching staff offers many years of experience and success to help develop swimming skills in a quality program. We offer a variety of practice groups based on abilities and goals. Swimmers must be at least 5 years of age by September 1 of the current calendar year in order to participate in Shockwave. Our purpose is to allow your child to have fun with the sport and to develop into a swimmer that can achieve unlimited success.

Each child is different and progresses at their own rate. Our practice groups have their own specific goals and objectives. The coaching staff

makes group assignments based on each swimmer's physical, mental and emotional level of development.

PRACTICE FACILITY

Shockwave rents lane space and practices in the Tupelo Aquatic Center located at 692 N. Veterans Blvd. in Tupelo. Tupelo Aquatic Center in no way has any affiliation with the management and operation of Shockwave Aquatics. We are tenants of the Aquatic Center and must adhere to any guidelines in this Handbook and subsequent communication that Tupelo Aquatic Center has required or may require at all times.

The state-of-the-art facility houses a Myrtha Competition pool that is 20 lanes (25 yards) and 8 lanes (50 meters). In addition the Aquatic Center has Men's and Women's locker rooms with showers (lockers are available to rent from the Aquatic Center), two Colorado Time System Scoreboards, seating capacity for 900 spectators, meet management space and a separate 3,000 square foot teaching pool.

It also includes a subscription to *SPLASH* magazine. This form is found online during the registration process and the fee is automatically billed to your Shockwave account at registration.

SHOCKWAVE FEES

Swim fees vary by training group. Swimmers are assigned to the training groups by the coaching staff according to age and ability. You will be required to set up a secure online account on our website for electronic payment processing. Shockwave does not accept checks or cash; you must choose to pay with a credit/debit card or bank account. We accept Visa, MasterCard & Discover only.

Monthly dues are drafted on the 1st day of the month, along with an itemized statement. Additional fees such as meet entry fees, t-shirts, swim caps, etc. may also be invoiced and placed on your account to accompany your monthly dues. If the method of payment you have on file fails, you will receive an email. **A \$10.00 late fee will be applied to each account that is not paid by the 15th of the month subsequently until that account is current.**

After sixty (60) days of non-payment, your child/children will not be allowed back into the water until the account is current.

If your swimmer is placed in a group at one rate, and then is moved to another group at a different rate, you will be notified and the necessary adjustments in price will be changed in your account. You will not be charged a new rate until you have been notified.

Annual registration fee per swimmer (non-refundable) is also required at time of registration. This includes your Shockwave registration fee as well as your USA/MS Swimming Registration fee.

CANCELLATION OF SHOCKWAVE MEMBERSHIP

Commitments are based on group level. The group commitments can be found on our website home page with the corresponding training group. Requests to cancel an account outside of the commitment time will be at the discretion of the Shockwave Board of Directors. Please submit any cancellation requests in writing to the office administrator at shockwavewebmaster@gmail.com before the 20th of the month.

Any outstanding debts on accounts must be paid in full before your account will be cancelled and you are released of all financial obligations. Only members who leave in good standing will be released from Shockwave and allowed to move their membership to another USA Swimming team.

PRACTICES

Practices are held each weekday when meets are not scheduled. It is important to be at every practice outlined by your practice group.

There will be times beyond Shockwave's control that we are unable to practice (threatening weather, maintenance/repairs on pool, etc.) Shockwave may have dry land practices if conditions are suitable. However, Shockwave will still be required to meet the financial obligations necessary to run the team and therefore will not refund any money for practice cancellations due to adverse weather conditions, city decisions close the pool or any other reason beyond Shockwave's control.

We do our best to notify parents of practice cancellations in a timely manner. If you are unsure if there is practice, please do not leave your swimmer at the pool. Shockwave will practice if it is raining, thundering or

lightening. Only in the case of threatening weather (tornado, snow, ice storm, etc.) will we not practice because of weather.

MEETS

All swimmers are encouraged to participate in as many swim meets as possible. Some practice groups require participation in swim meets. They provide a measure of a swimmer's progress, reinforce team identity and are FUN! If you are unsure if your swimmer is ready to participate in a meet, please ask their coach. The meet schedule will be posted on the website, along with meet information once the schedule is set by the coaches. Swimmers must be in good financial standing in order to enter meets.

Meet sign up is done online through your Shockwave account. Meet fees will be invoiced and posted on your monthly statement. If you sign up for a meet and do not attend for any reason, you are still responsible for the meet fees. Each swimmer that has a qualifying time should plan on attending the State Championship Swim Meet(s).

PARENT VOLUNTEER REQUIREMENTS

It takes many hours and many people to run a successful swim meet. A competitive swim team requires the support and dedication of swimmers and parents. Shockwave hosts several home & championship meets throughout the swim season. All volunteers and USA Swimming Officials are non paid.

As a member of Shockwave, families in any Shockwave swim group may be required to volunteer in some capacity at each Shockwave hosted swim meet. This will be communicated via email prior to the meet. There may be times when all parents will be required to volunteer regardless if your child is participating in a team hosted meet or not. Parents may also be required to volunteer at out of town meets as designated by the host team. Volunteer opportunities & job sign up for each meet will be posted online. **All volunteers, including USA Swimming Officials, do not get paid.** Failure to sign up to work the required amount of session service hours for a meet will result in a fine of **\$50 per session.**
