

# Revised Storm Swim Club Volunteering Requirements

(updated 1/8/18)

Have you heard the news? Storm has a unique opportunity to host a **Minnesota Regional Championship (MRC) meet March 9-11, 2018**. We are excited about this opportunity to volunteer and swim at this championship season meet in our Lakeville competition pool at Kenwood Trail Middle School.

This means we will be hosting **TWO** meets during this **winter session**. Hosting meets benefits all swimmers on our team, even those who choose not to participate in the meets. The funds earned from these hosted meets, help offset the costs associated with swimming. Meet profits are used to purchase equipment and technology, as well as to pay for pool time and our coaching staff.

This does mean that we will need to update our current **volunteer requirements** to meet the needs of hosting two big meets this winter session. The volunteer and/or fundraising requirements associated with our sport are significantly less compared to many other sports. In addition, after looking at the requirements of many other local swim clubs, we feel that the volunteer commitment asked of our STORM families is significantly less. These slightly increased volunteering requirements are still minimal and can easily be accomplished. We do appreciate your understanding of these changes and your willingness to help us run successful swim meets.

Here are the **Winter Session Volunteer Requirements**:

- All active families, including those participating in our maintenance and middle school groups, are required to complete **TWO** jobs for the winter session.\*
- If there is more than one active swimmer in the family, then the family is required to complete **THREE** jobs for the Winter Session.\*
- These jobs do not need to be split between both meets. They can be completed at one or split between the two. **However, IF YOU HAVE A SWIMMER COMPETING AT THE MRC MEET, you will be expected to complete at least ONE of the required jobs at the MRC meet.**
- You CAN have another swim family, a friend, your teen, another family member, etc. complete the job requirements for your family. Simply register under your account and put their info in the notes when signing-up for the job. You will be given credit when the job is completed.
- If you have a swimmer competing at the MRC meet, even if they did not participate in the winter session (i.e. high school/middle school boys) you will be required to complete **ONE** job for that swimmer.
- Storm will be offering a **FREE one-time clinic** on Saturday, 4/21/18, (details TBD) to those families who fulfill more than their minimum required number of jobs
- If you do not complete all of the required number of jobs, make other arrangements to volunteer, or bring in a \$100.00 check to offset costs, there will be a \$100.00 charge added to your account.

\* This does include families who are new to STORM.

Job Sign-up for the **STORM Winter Invite, 1/27/18 - 1/28/18** (Jobs are currently OPEN for sign-up)
