

Rules: Current USA Swimming rules will govern this meet. Meet format will be Prelims (8 lanes) and Finals (8 lanes). One championship heat (8 lanes) and three consolation heats (8 lanes) will compete in Finals except as noted in Schedule of Events. Seeding for the meet will be Short Course Yards (SCY) Long Course Meters (LCM), Short Course Meters (SCM). Bonus events will be seeded after all of the above.

In Prelims, the pools will be divided into an odd heat pool (north course near diving well) and an even heat pool (south course near scoreboard). Thus Event 1 Heat 1 will be swum in the north pool near the dive tank and Event 1 Heat 2 will be swum in the south pool near the scoreboard. Heat 2 of an event will not begin until Heat 1 of that event has started. The Meet Referee has authority to modify the conduct of the prelim heats in regards to the north and south pool when doing so will materially improve the meet time line.

PLEASE REVIEW SCRATCH RULES AND CHECK-IN PROCEDURES LISTED ON FOLLOWING PAGES.

Eligibility: Open to all swimmers who:

1. Are currently registered with USA Swimming LSC's within the Western Region Section of the Western Zone as of the day meet entries close [Alaska, Arizona, Colorado, Hawaii, Inland Empire, Montana, New Mexico, Oregon, Pacific Northwest, Snake River, Utah and Wyoming].
2. Are full-year members of USA Swimming. **Note: It is the legal responsibility of each club to ensure that each swimmer listed on the Master Entry Form is USA Swimming Registered for the current year. There will be no on-deck USA Swimming registration.**
3. Have met the appropriate 2010 qualifying times in competition, between March 11, 2009, and the entry deadline. **(NOTE: Penalties apply for unproven entry times.)**
4. Meet management will produce a psych sheet prior to the start of the meet with markings to indicate times requiring proof as required under #5 below. The psych sheet will be e-mailed to all who have requested by e-mail and will be posted on the host teams' and PNS Website – see pg 1 for URLs.
5. Each entry time used must be from a "Sanctioned" or "Approved" meet, or from an "Observed Swim" in accordance with USA Swimming Rules and Regulations. Entry times which are not in the SWIMS database must be proved to the Admin Referee, or designated representative, prior to the scratch deadline for the event. Failure to provide such proof of time prior to the scratch deadline for the event will result in a \$100 fine assessed against the club or individual swimmer, if unattached. There is no requirement to prove relay entry times.
6. An official time can be achieved only in USA Swimming sanctioned or USA Swimming approved competition, or in an observed swim in accordance with all applicable rules. (102.16.4A in the 2009 USA Swimming Rule Book)

NOTE: Times achieved in High School or collegiate competitions are generally NOT acceptable. Ensure the times are in SWIMS or otherwise proven through your LSC."

Event Limit: Each swimmer entered may participate in up to six (6) individual events and up to five (5) relays. No swimmer may participate in more than three (3) individual events per day, including time trials. All swimmers, including relay only swimmers, are limited to three (3) time trials. There is no limit to the number of relays a club enters, but only the top 2 relay teams per club can score.

Time Line: If the projected length of a preliminary session exceeds 4½ hours, the Meet Referee, in consultation with the meet host and the Western Region Section Officers, reserves the right to divide the preliminary session into "A" and "B" sessions. The "A" session will consist of the fastest 7 heats (5 of the 400 yard events) with the remainder of the heats in the "B" session. The "B" session will be swum fastest to slowest.

If the projected length of Sunday's 1650 freestyle preliminary events does not allow for the scheduled Finals start time, the Meet Referee reserves the right to first, reduce the warm-up time for the Finals'

session to one hour; second, to begin the Sunday warm-up period for the preliminary session one hour earlier (6:30 a.m.).

Bonus Events: Swimmers may enter a bonus event for each qualified event with a maximum of two bonus swims as follows:

Two (2) Qualified Events	2 Bonus Events	4 Total Events
Three (3) Qualified Events	2 Bonus Events	5 Total Events
Four (4) Qualified Events	2 Bonus Events	6 Total Events
Five (5) Qualified Events	1 Bonus Event	6 Total Events
