August 9-13<sup>th</sup>, 2011

**Eligibility (cont.):** Each LSC may bring two (2) swimmers with disabilities who are 12 and under and two (2) swimmers with disabilities who are 13-18. These swimmers with disabilities are not required to meet the time standards for their age group events; however, they must provide a time for each event they enter. Classification of a swimmer with a disability is irrelevant.

**Entry Limits**  
**Individual and Relay**  
**Events:** Each LSC may enter 400 individual events of which no more than 160 may be slower than the time standard. An LSC which enters more than 400 individual events and/or 160 slower than the time standard shall scratch down to the limit prior to the close of the scratch box on Tuesday (one-half hour after the start of the 1500). Failure to comply shall be deemed to have given the Meet Referee authority to eliminate entries to comply with these entry limits. Slower than time standard swims will be eliminated first. Disabled swimmers will not be included as part of the LSC's 400 or 160 limits.

**Each swimmer is limited to six (6) individual events with an additional limit of three (3) individual events per day.**

Each LSC is limited to one (1) non-standard swim per gender, per age group, in any event of 400 meters or longer. Entries over this limit must be scratched prior to the close of the scratch deadline for the event. In the event that such scratch is not received, the Meet Referee has the responsibility to eliminate entries to comply with these entry limits.

Each LSC is limited to 2 relays per relay event. Enter relays at no time; times shall be entered at the meet prior to seeding. Swimmers entered in the meet whose age/gender meet the event description are eligible to swim that relay.

**Combined Age Group Relays:** Those LSC's that have fewer than four (4) athletes of the same gender in two of more recognized age groups (10 & under, 11-12, 13-14, 15-16, 17-18) may elect to combine these athletes into combined relay events. Athletes in such combined relays must be previously entered in the meet and must be combined solely with other athletes from age groups with less than four (4) entered athletes. Such combined relays shall swim with, be scored with, and awarded 17-18 age-group.

**Master Entry:** All entries shall be submitted only by the LSC, and shall be by a USA swimming approved Standard Database Interchangeable Format (SDIF) electronic file.

**Entries must include:** Full legal name, age, USA Swimming Registration number, home club code, and LSC code. Entries shall be the swimmer's best time from the first day of competition of the prior year's meet to the entry deadline of the current year. For a swimmer who does not have a long course time which makes the time standard, the qualifying short course time shall be designated by a Y (short course yards) or M (short course meters) on the electronic file. Swimmers with non-qualifying times shall be designated with a B (non-qualifying bonus swim) and L (long course meters), Y (short course yards) or M (short course meters) on electronic file.

Swimmers with disabilities must be identified at the time entries are submitted.

Qualifying times are stated at sea level. Times achieved at an altitude of 3,000 feet or above may be adjusted in accordance with the current edition of the USA Swimming Rules and Regulations.

  - If approved, the swimmer shall be seeded correctly.
