

2011 Montana Swimming Short Course State Championships
February 25 thru 27, 2011
Butte, Montana

Sanction Number # 0811

The Butte Tarpon Swim Team invites you to attend the 2011 Montana Swimming Short Course State Championships.

LOCATION: The meet will be held at the Butte Family YMCA, which is located at 2975 Washoe Street. The pool is an eight lane, 25-yard regulation short course pool with 9 non-turbulent lane lines. There is a separate warm up/cool down pool.

DIRECTIONS: The new facility is located at 2975 Washoe Street in Butte. Take the Montana Street exit into Butte then turn south onto Montana Street. Continue south (straight) on Montana Street past the Town Pump on the left and the cemeteries on the right. Veer left at the end of the cemeteries onto Hansen Road. Continue south along Hansen Road to the YMCA (copper and gray building on left). You may also drive to the pool from Harrison Avenue. From Harrison Avenue, turn west onto Dewey Boulevard and continue past Rowe Road crossing the railroad tracks until reaching Washoe Street. Turn left onto Washoe Street and continue to the YMCA.

SANCTION AND RULES: The 2010 - 2011 USA Swimming and Montana Swimming rules will govern the conduct of the meet. The USA Swimming Code of Conduct will be enforced. The new USA Swimming athlete protection legislation will also be enforced. Timing will be by an automatic Colorado Timing System or three manual times. All certified coaches, certified officials, and meet management shall have on their person their USA Swimming credentials at all times during the meet.

SAFETY REGULATIONS: Montana Swimming safety guidelines and warm-up procedures will be in effect and strictly enforced. No glass containers, tobacco, or alcoholic beverages are allowed in the swimming venue. A safety marshal will be on deck during the meet. The hot tub and fun pool, except for the warm-up/cool down lanes, will be closed. No cameras, photography, or video taping is allowed in the locker rooms, changing rooms, and restrooms.

AGE GROUPS: 8&U, 10&U, 11-12, 13-14, 15-16, and 17-21. A qualified swimmer, age 8 & under, may swim in either the 8 & under or the 10 & under age group, but not both. (See the relay exception.) All combined events will be awarded and scored separately by age group. Age on February 25, 2011 shall determine the swimmer's age for the meet.

ELIGIBILITY: All swimmers must be registered with USA Swimming and Montana Swimming. Swimmer, official, and coach registration will be confirmed with Montana Swimming Registration Chairperson prior to the start of the meet. Swimmers must have achieved at least one qualifying time standard in any course between January 1, 2010, and the entry deadline, except relay only swimmers. Swimmers ages 8 and under must qualify in each individual 8 & under event entered. The 10 & U and older swimmers must enter at least one event with a "BB" qualifying time or faster and then may enter any subsequent event in which they have achieved a "B" time or faster. A swimmer qualified in either the 1000 or 1650 freestyle automatically qualifies for the opposite event. If a swimmer does not have an established qualifying time for the opposite event, the swimmer shall be entered with the established "B" time in the same course as the qualifying time in the opposite event. Any swimmer who enters the 1000 or 1650 yard freestyle may enter at his/her fastest time or at the B time standard. A qualifying time in 100 (yard/meter) of the backstroke, breaststroke, or butterfly automatically qualifies the swimmer for the 50 of the same stroke in the same course. Note on the proof of time sheet that the 50 event is the bonus swim for the 100 qualifying swim if the swimmer does not have a qualifying time in the 50 event. Altitude adjusted times will be accepted. Enter the swimmer with the altitude adjusted time in the Hy-Tek entry file. Provide the correct documentation including the actual time, altitude adjusted time, meet, date achieved, city, and elevation in the accompanying proof of time documents.

Only times earned in a USA Swimming sanctioned or approved meet or at a USA Swimming sanctioned time trial or swims requested to be observed under authorization of USA Swimming rules at other meets (MHSA High School State Swimming Championships) can be used to qualify for this state meet. Times earned at a non-sanctioned meet or time trial cannot be used to enter this meet. **All individual entry times must be proven through the USA Swimming SWIMS database or for 25 yard/meter events through the MT Swimming times data base.**

ENTRIES: Each swimmer ages 10&U and older may compete in a maximum of seven (7) individual events for the entire meet including time trials with a maximum of three (3) individual events and one (1) relay per day. 8&U swimmers may compete in a maximum of six (6) individual events with a maximum of three (3) individual events and one (1) relay per day. All swimmers must be pre-registered. No deck entries will be allowed except for time trials. There will be no minimum waiting period between events. Please consider this when entering swimmers in consecutive events.

Absolutely NO text messages will be accepted for entries, entry changes, proof of time, entry reports, warm-up times, meet start times, or other meet entry requests. E-mail is preferred for entries.

Converted times will not be accepted. Entries are to be submitted using the "show times unconverted" option using one of the following methods:

E-mail (not in a Hy-Tek file) or phone these entries only to meet referee Susan Huckeby at shuckeby@msn.com or 406-723-4800.

RELAYS: 10 and under Relays will be swum in the preliminaries as timed final events. **Relays for swimmers ages 11-21 will be swum as the last event in finals each day (finals only or FO).** Relay times may be established by adding the individual times of the four swimmers involved. **Relays must be entered with a time.** The full name of those entered in a relay must appear on the master entry form or Team Manager relay report and on the relay entry cards (including alternates). Relay swimmers must swim the race in the order the swimmers are listed on the relay entry card. The 15 & Over swimmers will swim as a single age group for relays. Relay cards must be completed and placed in the relay card box in the officials'/coaches' room (preferred method) or turned in to the meet referee by 10:30 a.m. for 10 & Under relays and by the start of the of finals events for 11-21 year old relays each day of the meet for that day's relay events. Relay scores will be added to the overall team scores. Only one (1) relay from each team per age group and sex will be eligible to score. Teams may enter an unlimited number of relays per event if so desired. **Relay only swimmers do not have to be qualified and entered into an individual event, but must pay the meet surcharge fee.** Please list the relay only swimmers on the master entry form. Relay exception for 8 & Under swimmers: 8 & Under swimmers may swim the 10 & Under relay events regardless of which age group they choose to swim in at the meet. The 400 free relay will be swum fastest to slowest alternating girls and boys events/heats as listed on the event list.

SEEDING: All seeding will be according to the USA Swimming rules based on the entry data. Please fill out the entries carefully. All conforming times shall be arranged in time order. Non conforming times will then be arranged in time order in long course meters followed by short course meters (Y-L-S). After arranging the times as listed, the event will be seeded in normal fashion.

MEET FORMAT: The meet will be conducted by age group as listed for the preliminary sessions on Friday, Saturday, and Sunday. Finals will be conducted each day after preliminaries. This is NOT a split session meet. Over the top starts will be used during preliminary competition. In preliminaries, swimmers in the backstroke, medley relays, and 25 yard events should clear the pool immediately upon completion of the race. Swimmers in all other races should remain in the pool motionless next to the end of the pool by the lane ropes until the next race is started. Swimmers in finals should report to the staging area located by the glass entry doors just past the timing console table to line up, march in, and be introduced prior to each event and heat.

All 10 & under events will be swum as timed finals during the preliminaries on Friday, Saturday and Sunday.

The 11 to 21 age groups will swim all events combined during preliminaries but will swim separately during finals and be scored and awarded separately. The 500-yard freestyle, 1000-yard freestyle, 400 yard IM, the 1650-yard freestyle, will be timed finals and will be swum during preliminaries. The 500, 1000 and 1650 freestyle, 400 IM, and the 400 freestyle relay will be swum fastest to slowest, alternating between girls and boys events/heats.

Swimmers entering the 1650, 1000, and the 500 freestyle must supply a person to count laps and one timer.

RACING STARTS: Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

STARTING TIME: The meet shall commence with warm-ups on Friday, Saturday, and Sunday morning at 7:00 am. Start times will be determined after entries are received and posted. Check the MT Swimming web site for warm-up times and preliminary session start times.

CLERK OF COURSE: There will be no Clerk of Course. Heat and lane assignments will appear in the program. Swimmers are responsible for taking their position behind the blocks.

SCRATCHES: Championship scratch procedures will be in effect for this meet.

Preliminary scratch deadline: The scratch deadline is 10 minutes prior to the start of the first preliminary race each day. Scratches shall be reported on the scratch sheet in the officials'/coaches' room (preferred method) or may be given to the meet referee by the deadline.

Preliminary scratch procedures and penalties: Any swimmer who fails to compete in a preliminary heat in which they are entered and have not been correctly scratched (see exceptions for failure to compete), will be barred from all further individual and relay events that day – including any final swims – except if a swimmer has qualified for finals in an event prior to the no show event, the swimmer may compete in that prior event(s) in finals that evening. Additionally the swimmer must report to the meet referee his or her intention to compete in any individual events on succeeding days. A swimmer may also scratch from a preliminary event with a declared false start by reporting to the deck referee prior to the start of the race and declaring his/her intent not to compete. A declared false start will be charged as a false start.

Swimmers who fail to report for a timed final event will be scratched without penalty.

Finals scratch deadline: All swimmers wishing to scratch from a final for which a preliminary event has been swum must report to the meet referee no later than the start of the first heat of the 1000 Free on Friday; the first heat of the 500 Free on Saturday; or the first heat of the 1650 Free on Sunday to scratch from finals. Alternates should be on deck for each final event in case of an undeclared scratch. Alternates will not be penalized for failure to show for the event in the case of an undeclared scratch.

Finals scratch penalties: Any swimmer qualifying for a final race in an individual event who does not properly scratch and fails to compete in that event will be barred from all further individual and relay competition for the remainder of the meet except as noted under the exceptions for failure to compete. In addition, fifty (50) points will be subtracted from the team score if a swimmer fails to report the scratch from finals in the correct manner, except as listed below for exceptions for failure to compete.

Exceptions for Failure to Compete: No penalty shall apply for failure to scratch or compete in an individual event in preliminaries or finals if the meet referee is notified in the event of quick-onset illness, injury, or circumstances beyond the swimmer's control. The meet referee will make the final decision.

TIME TRIALS: Time Trials (Sanction Number #0812) will be offered on a time and demand available basis at the meet referee's discretion at the conclusion of preliminary competition each day of the meet. Only swimmers entered into at least one individual event may enter. Swimmers may compete in a maximum of seven individual events including time trials, with no more than three individual events per day. Qualified swimmers may enter seven individual events, but must properly scratch from one event to compete in one time trial event. All time trials will be deck entered. Entries for time trials may be listed on time trials sheet in the officials'/coaches' room (preferred method) or may be given to the meet referee by the announced deadline. If proof of time is required, the swimmer's team will provide any necessary proof. The swimmer may also provide proof of time if available. The coach, swimmer, or parent/guardian may enter the swimmer into the time trials. The time trial entry fee is \$2.00 per event. Further information regarding the time trials will be announced during the meet.

SCORING: Individual scoring: 9-7-6-5-4-3-2-1. Relay scoring: 18-14-12-10-8-6-4-2. Only the top scoring relay team in each age group and sex from each team will be eligible for points.

AWARDS: Individual medals will be awarded for 1st through 8th place and ribbons for 9th through 16th place. For events swum in preliminaries and finals, 9th through 16th place will be awarded based on preliminary times while 1st through 8th will be awarded based on finals times. Relays will be awarded medals 1st through 3rd place. Swimmers age 8 & under through 10 years old must participate in the medal ceremony to receive their award at that time. Swimmers aged 11 through 21 years old may pick up their medals from their coaches. The team accumulating the highest number of

points (individual and relay points combined) will be awarded the traveling short course state championship trophy. Traveling trophies will also be awarded to the women's and men's high point teams accumulating the greatest number of combined individual and relay points.

OTHER AWARDS: The traveling Spirit Award will be given to the team demonstrating the best overall team participation, team spirit, and conduct during the meet. The meet managers, coaches, and officials will vote for the award.

SENIOR RECOGNITION: Graduating high school and college swimmers will be recognized at the beginning of prelims on Saturday. Please e-mail a very brief statement for each swimmer, no longer than 1/8 page in length stating the swimmer's name, high school, MT Swimming team, brief college or career plans, and any future swimming plans, to Lew Yong Gerbrandt at ggeller37@msn.com by February 19, 2011.
