

PrestoPay™ is a convenient way for you to pay for your orders, on-line, at the time you place your order with a direct debit of your checking or savings account. **50% of the rebate amount of all orders paid with PrestoPay will be applied toward your family swim fees.**

Scrip will debit the designated account for the face value of your order plus a small convenience fee of \$0.15 on the day the order is placed. On that day, your order total, plus the \$.15 PrestoPay fee will be debited from your account, any ScripNow orders will be processed within minutes, and any physical cards will be ordered with our next team order. You can still elect to pay for your order via check and receive 20% of the rebate amount credited to your swim fees. You will be given the option to select your payment type with each order. Please note that if there are insufficient funds or a payment is returned, you will be charged a \$30 fee in addition to your scrip order.

To sign up for PrestoPay, click on the PrestoPay banner on your shopwithscrip.com family homepage and:

1. Type in the name of your bank.
2. Name this account whatever you would like (something easy to identify).
3. Choose either checking or savings based on your account type.
4. Enter your bank account number and routing number located at the bottom of your checks.
5. Type the validation code you see in the black box and click 'Next.'

At this point, you will need to wait for Great Lakes Scrip Center to verify the account. This process takes about 2-3 business days. You can still place your order, but must pay by check until your account is completely verified.

To verify your account information, GLSC will make two small deposits into your designated bank account. Make sure to check your bank statement after 2-3 business days, as no E-mail reminder will be sent out.

Verifying Your PrestoPay Account

Once you receive the deposits, take note of both amounts and return to the PrestoPay link on the left side of your Family Home Page on ShopWithScrip.

6. Enter both two-digit amounts deposited into your bank account by GLSC.
7. Select a four-digit pin number, and enter it again to verify. Then, click 'Next.'

Now that your account is verified, you will be issued an approval code which will appear on your ShopWithScrip account and be sent to you by email. Email this code to Nicole Smart at smartmedical@blackfoot.net. Once your coordinator has received your approval code and authorized you for online payment, you'll receive a second email confirming your PrestoPay account is active and can be used to pay for your ShopWithScrip orders.

Frequently Asked Questions About Reloading Gift Cards

Q. What cards can I reload?

A. A reload icon  appears on each page of the ShopWithScrip.com shopping environment. Click on the icon or choose "Reload Brands" under "Browse by Category". This list continues to grow, so check back often.

Q. How do I register a card so I can reload it?

A. When placing your order on ShopWithScrip.com, choose the reloadable option for your card (i.e. Barnes and Noble reload). A menu will pop up asking for the card number and name. You can then add to your reloadable card.

Q. My Card is on the "reload brands" list, but I can't seem to register it. Why?

A. The gift card must have been purchased through Great Lakes Scrip Center in order for it to be reloaded through us and for you organization to get credit for the purchase. The card must have been purchased after the date specified when you choose the reload option for that product.

Q. When will the funds be available?

A. Reload orders paid for with *PrestoPay* will process automatically, and the funds will be added to the card(s) overnight for orders submitted by 3:30 PM Eastern Time Monday through Friday. Orders paid for by check will process after the coordinator places their next order and the family will receive an email telling them when the funds will be available.

Q. What information will I need to reload my card?

A. You will need the serial number from the card. Our system will ask you to name the card so that you can load multiple cards from the same household (i.e. Dad's Starbucks card, Mom's Starbucks card, etc.). In the future, you can choose the card by the name you gave it when you are reloading.

Q. What dollar amount can I reload on the card and how many times can I reload my gift cards in a week?

A. You can choose any reload amount, as often as you like, up to a maximum specified when you choose the reload option.

Q. Can I reload a gift card that I bought at the retailer's store on shopwithscrip.com or reload at the retailer's store?

A. No. The first gift card needs to be purchased through the Scrip Center. Once you have that one, you can reload it as much as you like but your organization will only receive credit for cards that are reloaded through shopwithscrip.com.

Q. Can I cancel my Reload order or return a card I Reloaded?

A. No. Once an order for a Reload is submitted, it cannot be cancelled. Reloaded cards are not returnable.
