

Have you heard the great news?

You can easily earn money toward your MAC swim fees with our Scrip program!

Best of all, it doesn't require you to sell ANYTHING. It works while you shop!

What Is Scrip?

Simply put, Scrip are gift cards, printed e-certificates, or electronic funds delivered through your smartphone! When you purchase scrip, you're purchasing gift certificates and prepaid cards that are used just like cash. You can use scrip cards to purchase everyday expenses like groceries, gas, clothing, and other essentials. With every purchase, you earn revenue for MAC and toward your swim fees, without having to sell a thing!

How scrip generates revenue for MAC AND YOU!

- Families buy scrip cards through MAC and use them at full face value for purchases.
- For each card sold, MAC receives a rebate - from 2% to 15% or more – from the retailer.
- **50% of all of the rebates that your family generates for MAC through our scrip program will be credited directly to your family's monthly swim dues!**

How Do I Order Scrip Cards?

- You set up an account and do one or more of the following:
 - Order physical scrip cards which are then ordered by MAC every 2 weeks
 - Order ScripNOW electronic gift certificates which are delivered to your account within minutes
 - You can then print out the certificates from any computer or use the codes for online transactions
 - Order electronic funds through MyScripWallet which are delivered in minutes to your smartphone.
 - Unused electronic funds for each retailer is then kept on your phone for future use.
 - Reload an existing scrip cards with funds either overnight or within minutes – depending on the retailer
 - Order eGifts (electronic gift certificates) which are delivered to a recipients' email addresses on specific dates

How Do I Pay For Scrip Cards?

- Orders are paid for using "PrestoPay" with your shopwithscrip account. This will allow you to automatically debit your checking or savings account when you place your order (a 15¢ fee is charged for each order paid using PrestoPay). You can also use PrestoPay to order scrip certificates instantaneously to your computer (called ScripNOW!), to load funds to your smartphone scrip wallet app, send e-gifts to others, and to reload existing scrip cards. Note- MAC does not support check payments.

How Often Will I Receive Scrip Cards

Family scrip orders for physical cards will be combined and are placed every other weekend and are delivered the Tuesday after our order is placed. Mobile app purchases, ScripNOW! Certificates and reloads of existing cards are delivered within minutes to your computer or smartphone. E-gifts can be delivered to your intended recipient immediately or on a specific date like a birthday.
