

Records Report
Montana Swimming
Submitted by Butch Gerbrandt, Records Chair
September, 2011

Current Practice of Records Keeping

1. Records Chair checks all in-state meets as well as regional, zone, and sectional meets routinely seeing Montana participation. Additionally, any other meets brought to his attention by coaches, parents, etc involving Montana swimmers are checked for records, as long as they are USA sanctioned and HY-TEK files are available.
2. Records Chair passes all records on to John Heryla, Webmaster, who places them on the Montana Swimming web site. Only the current record is kept. Older records are not kept.
3. Records Chair keeps a HY-TEK Team Manager file with updated records, and makes it available to swim meet hosts who want to include records in meet programs.
4. Records Certificate. It is the responsibility of the coaches or team representatives to fill out a records application form if a records certificate is desired. This form can also be used to notify the Records Chair of potential records swum in meets not regularly checked by the Records Chair. The Records Chair will also accept application forms from parents, in-laws, and second cousins. On the form, the applicant should indicate where the certificates should be sent: swimmer, coach, team representative, etc.
5. The Records Chair, upon receiving an application form and verifying the record, prepares, signs, and sends out certificates to Montana record setters.
6. Records are kept for USA Swimming sanctioned meets. College or non-sanctioned high school meets are not considered. The Montana State High School Championships are included as long as they are USA Swimming sanctioned. The Montana Big Sky Games are included as long as they are sanctioned.
