

## Nagashima Travel Fund

In the mid 1990s Chuck Nagashima, a Billings swim parent, passed away. Chuck loved what swimming had done for his family and so as part of his last requests he funded what we now call the "The Nagashima Fund". In his memory clubs and individuals from around the LSC also contributed to the travel fund.

It was Chuck's wish that the fund be used to help send financially needy swimmers to advanced out of state meets.

The fund is only replenished by donations or by the LSC budgeting funds to be put in the fund as seen fit by the House of Delegates.

Swimmers can request help from the fund by applying to the General Chair or the Treasurer and it is at their discretion in concert as to whether funds will be allotted or not.
