

2008 Montana Swimming Short Course State Championships
February 29 to March 2, 2008
Butte, Montana

Sanction Number #700

The Butte Tarpon Swim Team invites you to attend the 2008 Montana Swimming Short Course State Championships.

LOCATION: The meet will be held at the Butte Family YMCA, which is located at 2975 Washoe Street. The pool is an eight lane, 25-yard regulation short course pool with 9 non-turbulent lane lines. There is a separate warm up/cool down pool.

DIRECTIONS: The new facility is located at 2975 Washoe Street in Butte. Take the Montana Street exit into Butte then turn south onto Montana Street. Continue south (straight) on Montana Street past the Town Pump on the left and the cemeteries on the right. Veer left at the end of the cemeteries onto Hansen Road. Continue south along Hansen Road to the YMCA (copper and gray building on left). You may also drive to the pool from Harrison Avenue. From Harrison Avenue, turn west onto Dewey Boulevard past Rowe Road until reaching Washoe Street. Turn left onto Washoe, which becomes Dakota Street. Continue to the YMCA.

SANCTION AND RULES: The 2007-2008 USA Swimming and Montana Swimming rules will govern the conduct of the meet. The USA Swimming Code of Conduct will be enforced. Timing will be by Colorado Timing System or two manual times. All certified coaches, certified officials, and meet management shall have on their person their USA Swimming credentials at all times during the meet.

SAFETY REGULATIONS: Montana Swimming safety guidelines and warm-up procedures will be in effect and strictly enforced. No glass containers, tobacco, or alcoholic beverages are allowed in the swimming venue. A safety marshal will be on deck during the meet. The hot tub and fun pool, except for the warm-up/cool down lanes, will be closed.

AGE GROUPS: 8&U, 10&U, 11-12, 13-14, 15-16, and 17-21. A qualified swimmer, age 8 & under, may swim in either the 8 & Under or the 10 & Under age group, but not both. (See the relay exception.) All combined events will be awarded and scored separately by age group. Age on February 29, 2008 shall determine the swimmer's age for the meet.

ELIGIBILITY: All swimmers must be registered with USA Swimming and Montana Swimming. Swimmer and coach registration will be confirmed with Montana Swimming Registration Chairperson prior to the start of the meet. Swimmers must have achieved at least one qualifying time standard between January 1, 2007, and the entry deadline, except relay only swimmers. The 10 & U and older swimmers must have at least one qualifying "BB" time or faster and then may enter any subsequent event in which they have achieved a "B" time or faster. Swimmers ages 8 and under must qualify in each individual 8 & under event entered. A swimmer qualified in either the 1000 or 1650 freestyle automatically qualifies for the opposite event. If a swimmer does not have an established qualifying time for the opposite event, the swimmer shall be entered with the established "B" time. Any swimmer who enters the 1000 or 1650 yard freestyle may enter at his/her fastest time or at the time standard.

Only times earned in a USA Swimming sanctioned, approved, or observed meet or a USA Swimming sanctioned time trial can be used to qualify for the state meet. Times earned at a non-sanctioned meet or time trial cannot be used to enter this meet.

ENTRIES: Each swimmer ages 10&U and older may compete in a maximum of seven (7) individual events for the entire meet including time trials with a maximum of three (3) individual events and one (1) relay per day. 8&U swimmers may compete in a maximum of six (6) individual events with a maximum of three (3) individual events and one (1) relay per day. All swimmers must be pre-registered. No deck entries will be allowed except for time trials. There will be no minimum waiting period between events. Please consider this when entering swimmers in consecutive events.

Converted times will not be accepted. Entries are to be submitted using the "show times unconverted" option using one of the following methods:

1. **E-mail:** (Preferred method) Teams should e-mail entries to ggeller37@msn.com. In addition, teams are required to e-mail a Hy-Tek software Team Manager "Meet Entry Report" with the option of "**Show times unconverted**" **with the entries sorted by name and include the time standards.** This report also must **include proof of time.** Times must have been achieved since January 1, 2007 (use times since date option in the meet set up in Team Manager). Also include a "Meet Entry Fee Report". If relays are included, a relay report with the athlete's names shall also be included with the entries. All entry and relay reports shall be sent in either word or rich text format and e-mailed with the entries. Completed waivers, registration, accounting sheets, and entry fees must be received by the due date.
2. **Master Entry Form:** Use this form only for unattached swimmers or clubs with less than 10 swimmers. Entry information must be completely filled out as follows: First, middle and last name of the swimmer, actual age of the swimmer, sex of the swimmer, USA Swimming registration number, event, and actual entry time, date and meet where the time was achieved, and course.

ENTRY FEES: An entry fee in the sum of \$2.00 for each individual event and a \$14.00 surcharge per swimmer must be paid with the entries. The sum of \$8.00 for each relay must be submitted with the entries. Checks should be made payable to the **BTST**. No entries will be accepted without the proper entry fees. Submit only one check per team, please. There will be no refunds.

ENTRY DEADLINE: Team entries are due by Wednesday February 20, 2008. All entry paperwork and accompanying fees must be received by Tuesday, February 26, 2008. Mail entries to **Butch Gerbrandt, 412 W. Broadway, Butte, MT 59701**. Phone and e-mail entries for individuals only will be accepted until 8:00 p.m. Friday, February 22, 2008. Swimmers who achieve a state qualifying time at the Junior B-C Championship may enter the state meet if phone/email entry is received from the team registrar by 11:00 a.m., Monday, February 25, 2008. Phone the meet

registrar at 406-782-5709 or e-mail to ggeller37@msn.com. Individuals are strongly encouraged to enter their swimmers through their coach.

RELAYS: 10 and under Relays will be swum in the preliminaries as timed final events. **Relays for swimmers ages 11-21 will be swum as the last event in finals each day (finals only or FO).** Relay times may be established by adding the individual times of the four swimmers involved. Relays must be entered with a time. The full name of those entered in a relay must appear on the master entry form or Team Manager relay report and on the relay entry cards (including alternates). Relay swimmers must swim the race in the order the swimmers are listed on the relay entry card. The 15 & Over swimmers will swim as a single age group for relays. Relay cards must be completed and placed in the relay card box in the officials'/coaches' room (preferred method) or turned in to the administrative referee by 9:30 a.m. each day of the meet for that day's relay events. Relay scores will be added to the overall team scores. Only one (1) relay from each team per age group and sex will be eligible to score. Teams may enter an unlimited number of relays per event if so desired. **Relay only swimmers do not have to be qualified and entered into an individual event, but must pay the meet surcharge fee.** Please list the relay only swimmers on the master entry form. Relay exception for 8 & Under swimmers: 8 & Under swimmers may swim the 10 & Under relay events regardless of which age group they choose to swim in at the meet.

SEEDING: All seeding will be according to the USA Swimming rules based on the entry data. Please fill out the entries carefully. All conforming times shall be arranged in time order. Non conforming times will then be arranged in time order in long course meters followed by short course meters (Y-L-S). After arranging the times as listed, the event will be seeded in normal fashion.

MEET FORMAT: The meet will be conducted by age group as listed for the preliminary sessions on Friday, Saturday, and Sunday. Finals will be conducted each day after preliminaries. This is NOT a split session meet.

All 10 & Under events will be swum as timed finals during the preliminaries on Friday, Saturday and Sunday.

The 11 to 21 age groups will swim all events combined during preliminaries but will swim separately during finals and be scored and awarded separately. The 500-yard freestyle, 1000-yard freestyle, 400 yard IM, the 1650-yard freestyle, and all relays will be timed finals and will be swum during preliminaries. The 1000 and 1650 freestyle will be swum fastest to slowest, alternating between girls and boys events.

Swimmers entering the 1650, 1000, and the 500 freestyle must supply a person to count laps and one timer.

STARTING TIME: The meet shall commence with warm-ups on Friday, Saturday, and Sunday morning at 7:00 am with the first events starting at 9:15 am. Start times and meeting times may be adjusted according to the number of events. CHECK YOUR PROGRAM FOR THE ACTUAL START TIMES.

CLERK OF COURSE: There will be no Clerk of Course. Heat and lane assignments will appear in the program. Swimmers are responsible for taking their position behind the blocks.

SCRATCHES: Championship scratch procedures will be in effect for this meet.

Preliminary scratch deadline: The scratch deadline is 15 minutes prior to the start of the first preliminary race each day. Scratches shall be reported on the scratch sheet in the officials'/coaches' room (preferred method) or may be given to the administrative referee by the deadline.

Preliminary scratch procedures and penalties: Any swimmer who fails to compete in a preliminary heat in which they are entered and have not been correctly scratched (see exceptions for failure to compete), will be barred from all further individual and relay events that day – including any final swims. Additionally the swimmer must report to the meet referee his or her intention to compete in any individual events on succeeding days. A swimmer may also scratch from a preliminary event with a declared false start by reporting to the deck referee prior to the start of the race and declaring their intent not to compete. A declared false start will be charged as a false start.

Swimmers who fail to report for a timed final event will be scratched without penalty.

Finals scratch deadline: All swimmers wishing to scratch from a final for which a preliminary event has been swum must report to the administrative referee no later than 10 minutes after the finish of the last heat of preliminaries each day to scratch from finals. Alternates should be on deck for each final event in case of an undeclared scratch. Alternates will not be penalized for failure to show for the event in the case of an undeclared scratch.

Finals scratch penalties: Any swimmer qualifying for a final race in an individual event who does not properly scratch and fails to compete in that event will be barred from all further individual and relay competition for the remainder of the meet except as noted under the exceptions for failure to compete. In addition, fifty (50) points will be subtracted from the team score if a swimmer fails to report the scratch from finals in the correct manner, except as listed below for exceptions for failure to compete.

Exceptions for Failure to Compete: No penalty shall apply for failure to scratch or compete in an individual event in preliminaries or finals if the administrative referee is notified in the event of quick-onset illness, injury, or circumstances beyond the swimmer's control. The meet referee will make the final decision.

TIME TRIALS: Time Trials (Sanction Number # 701) will be offered on a time and demand available basis at the meet referee's discretion at the conclusion of preliminary competition on Saturday (possibly) and/or on Sunday (possibly) of the meet. Only swimmers entered into at least one individual event may enter. Swimmers may compete in a maximum of seven individual events including time trials, with no more than three individual events per day. Qualified swimmers may enter seven individual events, but must properly scratch from one event to compete in one time trial event. All time trials will be deck entered. Entries for time trials may be listed on time trials sheet in the officials'/coaches' room (preferred method) or may be given to the administrative referee by the announced deadline. If proof of time is required, the swimmer's team will provide any necessary proof. The swimmer may also provide proof of time if available. The coach, swimmer, or parent/guardian may enter the swimmer into the time trials. The time trial entry fee is \$2.00 per event. Further information regarding the time trials will be announced during the meet.

SCORING: Individual scoring: 9-7-6-5-4-3-2-1. Relay scoring: 18-14-12-10-8-6-4-2. Only the top scoring relay team in each age group and sex from each team will be eligible for points.

AWARDS: Individual medals will be awarded for 1st through 8th place and ribbons for 9th through 16th place. For events swum in preliminaries and finals, 9th through 16th place will be awarded based on preliminary times while 1st through 8th will be awarded based on finals times. Relays will be awarded medals 1st through 3rd place. Swimmers age 8 & under through 10 years old must participate in the medal ceremony to receive their award at that time. Swimmers aged 11 through 21 years old must pick up their medal when their name is called in order to receive their medals during the meet. The team accumulating the highest number of points (individual and relay points combined) will be awarded the traveling short course state championship trophy. Traveling trophies will also be awarded to the women's and men's high point teams accumulating the greatest number of combined individual and relay points.

OTHER AWARDS: The traveling Spirit Award will be given to the team demonstrating the best overall team participation, team spirit, and conduct during the meet. The meet manager, coaches, and officials will vote for the award.
