- All combined and mixed events will be awarded and scored separately by age group and male/female.
- Age on February 27, 2010 shall determine the swimmer's age group for the meet.
- **EXCEPTION:** Any swimmer who ages up to a higher age group between February 27 and March 5 may enter the events in that higher age group as long as they have not achieved a BB time or faster in any event in any course in that higher age group. This swimmer must then swim all events in that higher age group for the meet. They may not swim both age groups.

- 8 and under swimmers may only enter events in which the swimmer does not have a current qualifying time in any course for the 2010 MT Swimming Short Course State Championships.
- Swimmers ages 9 – 21 may enter any event in which the swimmer does not have a BB or faster qualifying time in any course within the qualifying time period.

**Eligibility:** All swimmers must be 2010 Montana Swimming registered athletes.

Disabled swimmers must contact the meet director to arrange for any needed accommodations before February 19, 2010. It is at the discretion of the Meet Referee to determine whether the needed accommodations can be met by the meet resources.

**Qualifying time period:** All entry times must be achieved between January 1, 2009, and the meet entry deadline.

**Entry Limits:** Swimmers may enter a maximum of **5** events per day, and **10** events for the meet (This includes time trials). There will be no minimum waiting period between events. Please consider this when entering swimmers in consecutive events.

**Seeding:** Seeding will be in yards, short course meters, then long course meters (Y-S-L). Times should be submitted as actual. **No converted times will be accepted. "No time" entries will not be accepted.**

**Proof of Time:** All entries must be submitted with proper proof of time.

**Entry Fees:** \$30.00 per swimmer. Make checks payable to Hardin Otter Swim Team. No refunds.

**Entries:** Entries should be e-mailed using a Hy-Tek Team Manager entry file. E-mail entries to Lori Byron at [lori.byron@gmail.com](mailto:lori.byron@gmail.com). Along with the entry file, also e-mail a team entry report in Word or pdf format (sorted by name) with the option 'show times unconverted' and include the time standards. This report must include proof of time. Times must be achieved since January 1, 2009 (use 'times since date' option in the meet set up in Team Manager). Teams should also e-mail an entry fee report in Word or pdf format. The entry fee summary, waiver, and USA Swimming registration confirmation sheet must be completed, signed, and returned with the entries and fees or may be e-mailed with the entries if signed electronically. **Distance Events:** A swimmer who has a time in either the 1000 or 1650 free (the time cannot be a BB time or faster in any course), but does NOT have a time in the opposite event, automatically may enter that opposite event, even if the swimmer does not have a time in that opposite event. Should the swimmer have a 'no time' for the opposite event, the swimmer shall be entered with the "B" time standard. (Example – the swimmer has a B time in the 1000 free, but has not swum the 1650 free. The swimmer can then enter the 1650 free with a B time. In the Word or pdf entry file, note the 1000 free time and that the swimmer didn't have a time in the 1650 free so the swimmer is entered at the B time standard.)

The 500 free and 1650 free will be swum mixed fastest to slowest. The 1000 free will be swum mixed slowest to fastest. Swimmers in the distance events need to provide one timer and a counter.
