- Rules** 2010 USA Swimming Rules and Montana Swimming Rules will govern the meet. There will be no deck seeding. This meet is sanctioned by Montana Swimming and USA Swimming #0783. **Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.**
- Age Groups** 8&U, 10&U, 11-12, 13-14, 15-16 and 17-21. 8&U swimmers must choose either the 8&U or 10&U age group for the entire meet (Relay exception: 8&U may compete on the 10&U relays regardless of which age group they choose to swim in). All combined events will be awarded and scored separately by age group. Age on July 30th shall determine the swimmer's age for the meet.

Eligibility

All swimmers must be registered athlete members of Montana Swimming and have achieved at least one qualifying time standard between May 15, 2009, and the entry deadline. 10 & U thru 17-21 swimmers must have at least one qualifying "BB" time and may then enter any subsequent event that they have achieved a "B" time or higher. All 17-21 swimmers will use the 17 and 18 "BB" and "B" time standards. 8 & U swimmers may only enter events in which they have a qualifying time. Swimmers qualified in the 800 Free or 1500 Free may also enter the opposite event.

Times earned in a USA Swimming sanctioned time trial or a USA Swimming sanctioned, approved, or observed meet can be used to qualify for the state meet. Times earned at a non-sanctioned time trial cannot be used to enter this meet. If a swimmer does not swim a qualifying time during the state meet and the swimmer would earn points with that swim, the time must be proven from a meet finals sheet (not from a time trial) provided by the swimmer's team. If not proven by a meet finals sheet, the points for that event will not be earned by the swimmer or by the team and the swimmer will not receive the award.

Entries

Each swimmer may compete in a maximum of seven (7) events for the meet with a maximum of three (3) individual events per day.

All entries may be submitted by e-mail (preferred), or on a Hy-Tek formatted disk or on the enclosed master sheet. Please attach individual entry, relay and entry fees .pdf files along with the electronic entry file. For accuracy electronic entry is preferred. E-mail address is: bozemanbarracudas@yahoo.com. If sending a disk, be sure to include a printed copy. Please make copies of the Master Entry Sheet if you have more than one page of entries. Also complete and return the Accounting Sheet with your entries (enclosed in the entry packet).

Relays

Relay times may be established by adding the individual times of the four swimmers involved. All relays must be entered with a time. The full name of those entered in a relay must appear on the master entry form or Team Manager relay report and on the relay entry cards (including alternates). Relay entry cards will be completed at the meet. Relay swimmers must swim the race in the order the swimmers are listed on the relay entry card. The 15 -21 swimmers will swim as a single age group for relays. Relay cards must be completed and turned in to the referee by deadline each day of the meet for that day's relay events. Relay scores will be added to the overall team scores. Only one (1) relay from each team per age group and sex will be eligible to score. Teams may enter an unlimited number of relays per event if so desired. **Relay swimmers do not have to be qualified and entered into an individual event, but must pay the meet surcharge fee.** Please list the relay only swimmers on the master entry form.

Seeding

Entries may be submitted in Meters or Yards. **DO NOT CONVERT TIMES.** Submit times using the "show times unconverted" or "show actual" option. Events will be seeded in this order: LCM, SCM, SCY. ***The 800 Free and 1500 Free will be seeded fastest to slowest with heats alternating between women and men.***

Format

Individual: 8 & Under age group events will be timed finals during preliminaries. All other individual age group events will be a preliminary-finals (no consoles) format with the exception of the following, which will be timed finals during preliminaries: the 800 Free, 400 IM, 400 Free and the 1500 Free. The 15 and Over swimmers will be combined for prelims but split out for finals.

Relays: 10 and Under Relays will be swum in preliminaries as timed final events. 11 and Over relays will be swum as timed finals as the last event in finals each day.

Clerk of Course

There will be no Clerk of Course. Heat and Lane assignments will appear in the program. Swimmers are responsible for taking their position behind the blocks.

Timing

A Colorado electronic timing system will be used along with backup timers. Each club will be responsible for providing at least two (2) timers at all times. A sign-up sheet will be posted at the meet. Swimmers entered in the 800 Free and 1500 Free **must** provide their own timers and counters.

Scratches

Championship scratch procedures will be in effect for this meet.

Preliminary scratch deadline: The scratch deadline is 15 minutes prior to the start of the first preliminary race each day. Scratches shall be reported on the scratch sheet in the official's/coaches' room (preferred method) or may be given to the meet referee by the deadline.

Preliminary scratch procedures and penalties: Any swimmer who fails to compete in a preliminary heat in which they are entered and have not been correctly scratched (see exceptions for failure to compete), will be barred from all further individual and relay events that day – including any final swims. Additionally the swimmer must report to the meet referee his or her intention to compete in any individual events on succeeding days. A swimmer may also scratch from a preliminary event with a declared false start by reporting to the referee prior to the start of the race and declaring their intent not to compete. A declared false start will be charged as a false start. Swimmers who fail to report for a timed final event will be scratched without penalty.

Finals scratch deadline: All swimmers wishing to scratch from a final for which a preliminary event has been swum must report to the Meet Referee no later than 30 minutes prior to the start of the final session to declare their intention to scratch.

Alternates must be on deck for each final event in case of a scratch.

Finals scratch penalties: Any swimmer qualifying for a final race in an individual event who does not properly scratch and fails to compete in that event will be barred from further competition for the remainder of the meet except as noted under the exceptions for failure to compete. In addition, fifty (50) points will be subtracted from the team score if a swimmer fails to report the scratch from finals in the correct manner, except as listed below for exceptions for failure to compete.

Exceptions for Failure to Compete: No penalty shall apply for failure to scratch or compete in an individual event in preliminaries or finals if the meet referee is notified in the event of quick-onset illness, injury, or circumstances beyond the swimmer's control. The meet referee will make the final decision.

Time Trials

Time Trials (Sanction Number **0784**) will be offered on a time and demand available basis at the meet referee's discretion at the conclusion of preliminary competition on Sunday (possibly) of the meet. Only swimmers entered into at least one individual event may enter. Swimmers may compete in a maximum of seven individual events including time trials, with no more than three individual events per day. Qualified swimmers may enter seven individual events, but must properly scratch from one event to compete in one time trial event. All time trials will be deck entered. If proof of time is required, the swimmer's team will provide any necessary proof. The swimmer may also provide proof of time if available. The coach, swimmer, or parent/guardian may enter the swimmer into the time trials. The time trial entry fee is \$3.00 per event. Further information regarding the time trials will be announced during the meet.
