REACH OUT GRANT APPLICATION

Big Sky. Big Dreams. Big Success!

The purpose of the Montana Swimming Reach Out Grant Program is to increase multicultural, socioeconomic, and ethnic diversity as well as encourage those who are disabled to participate in all levels of the sport of competitive swimming. Montana Swimming wants to encourage swimmers to achieve excellence in and out of the pool through this innovative grant program.

It is intended that this grant will be used to reach out to underrepresented groups - including ethnic minorities, low-income outreach persons, LGBTQ, and disabled persons - in the overall community. Applicants must be registered a team/club of Montana Swimming.

Disability is defined by USA Swimming rules as a permanent physical or cognitive disability that substantially limits one or more major life activities. Application for disability grants should conform to disabilities as recognized under the USA Swimming rules article 105. Disabilities include legally blind or visually impaired (not simply needing glasses to see); deaf or hearing impaired; physical disabilities (such as dwarfism, cerebral palsy, spinal injuries, limb deficiencies, wheelchair bound with high functioning upper body, non-ambulatory (wheelchair bound), and limited use of extremities); and intellectual/ cognitive disabilities (such as severe learning disorders, Downs Syndrome, and autism spectrum disorder).

Montana Swimming Reach Out Grant is funded in the amount of \$5000 per year. Grant applications will be accepted twice a year. There is a maximum amount of \$2500 total per grant period to be awarded.

The application deadline for the 2022 spring application period is March 21, 2022.

Successful grant applicants must submit a report detailing your program by September 10, 2022.

Grants are not intended to fund general team finances.
