

MYST Fall YMCA Tri Meet
Hosted by Missoula YMCA
3000 South Russell, Missoula, MT. 59801
October 23, 2021

COVID Meet Management Plan

The Missoula YMCA Swim Team (MYST) agrees to comply and enforce all health and safety mandates and guidelines of USA Swimming, Montana Swimming, the State of Montana and Missoula county/city.

Due to the capacity limit on the facility and to stay in accordance with the Missoula County Health Department, we will limit the number of people on the pool deck to 65. We have gym space for people to be between events, which will allow for social distancing.

Spectators can enter through the balcony doors, one heat prior to their swimmer's heat, and then leave following their swimmer's heat. Due to our specific usage restrictions of the facility there will be no camping on the viewing balcony. Spectators must stay off of the pool deck.

SWIMMERS: The number of swimmers attending this meet will only be from MYST, BY, BYSC. There will be no more than 10 swimmers in the locker rooms at one time. Swimmers will be asked to social distance at all times. When social distancing is not possible, masks are recommended. Swimmers must leave the pool deck and return to the gym between their events.

OFFICIALS: This meet will have one chief judge, and multiple officials, on deck. They will be asked to social distance at all times. When social distancing is not possible, masks are recommended. There will be an area for hospitality for the officials to take a break. Masks are recommended when not actively eating or drinking.

TIMERS: This meet will have 12 timers, and 1 back-up timer. All timers have signed up prior to the meet, to ensure that we are keeping the number of people on deck under 65 people total. This number will allow us to meet the specific usage restriction of the facility to limit COVID-19 contact points. Timers will be asked to social distance at all times. When social distancing is not possible, masks are recommended.

INGRESS/EGRESS PLAN: Meet management, officials, swimmers, and coaches will enter the pool from the spectator area. Swimmers will exit through the locker rooms. Officials, meet management, and coaches will exit through the aquatics office. The

spectator area will not be open. The meet will be broadcast live through YMCA Facebook live.
