

## Group Lessons at the Farm Pool- Pre-Team on AAAA

These groups at the farm are a steppingstone/bridge group to our swim team groups. Swim in a private 2 lane pool with the best age group coaches in the region, just recently awarded the #23 age group team in the country. The water is warm and clean year-round. We work on all strokes, build confidence in the water and of course have fun!

Farm Pool Location:
