The main content area has tabs for 'My Results', 'Results By Meets', and 'Results By Athletes'. Below the tabs is a search bar and a message: 'Please click the [Search] button after each filter selection change.' The user's account information is displayed as 'My Account: Smith, Sarah'. Filter options include 'Standards: [MV] 2020: SCY Championships', 'Member: Sharp, Ivy Ulinawi', 'Course: --ALL--', 'Top Times: Top 1', 'Distance', 'Stroke: --ALL--', and 'Date of Swim'. A red-bordered box contains the following text: 'The system cannot find any records associated with this USS#: 070515IVYUSHAR. This page uses USS# to search your records. If you believe that this member does have the records, please click [HERE](#) to check if USS# for this swimmer is correct.'

Next – filter for the Championship meet times.

Running top times Reports in TeamUnify

Step 1. In the “Top Times” drop down select “1”

Step 2. In the green **Standards** box, select [MV]2020 SCY Championships

Step 3. Click “Search”

Then results will show you how close or far away your swimmer is to each championship meet.

“Districts” is the first Championship meet in late February.

“Champs” is the next meet (faster than Districts) in late Feb/Early March. “Bonus” times are related to the Champs meet. In order to swim bonus events at Champs, you must have at least 1 Champs time and then you can swim up to 2 bonus times.

In the example below, this swimmer has ONE District time (the 100 Back) but is very close in several more events!
