

Blazers Families:

Please see the below email from Marshall with regards to changes to policies at SMSD. These go into effect tomorrow!!!! The biggest change looks to be use of changing rooms.

On Friday night, the Johnson County Board of County Commissioners issued an emergency public health order with new restrictions in an effort to slow the exponential rise in COVID-19 transmission in the community.

Your health and safety continues to be our highest priority.

Here are the changes we will make at the Shawnee Mission School District Aquatic Center to comply with the new order starting Monday, November 16, 2020.

Locker rooms

- 1. Showers, lockers and changing areas of all access, men's and women's locker rooms will be closed until further notice.*
- 2. Restroom facilities will still be available.*

Pool Deck

- 1. Patrons must come prepared to swim and leave without using locker room changing areas or shower amenities.*
- 2. Patrons must be fully clothed and dry when leaving the pool deck or locker room area including shoes.*
- 3. On-deck showers will not be available for use until further notice.*
- 4. Face masks and social distancing will be required on the pool deck. (Face masks may not be worn while in the water.)*

How Can You Help?

We appreciate your continued help with these five ongoing safety measures to limit the spread of COVID-19:

- 1. Please stay home if you are sick or have been exposed to someone who is ill with COVID-19 symptoms (such as fever, cough, shortness of breath, difficulty breathing, muscle pain, sore throat, new loss of taste or smell, chills).*
- 2. Members, guests and participants must wear face masks that cover your mouth and nose when in the facility. Exception is when in the water swimming.*
- 3. Wash your hands thoroughly and often.*
- 4. Maintain at least 6 feet of distance from other people.*
- 5. Continue to follow all facility guidelines in the SMSD Aquatic Center Reopening Plan.*

On behalf our our coaching staff, stay safe and healthy.
