

It was an exciting short course season filled with lots of fun, teamwork and new friendships! All the swimmers worked hard throughout the season and saw how that hard work evolved into success in and out of the water. I hope you know how proud I am to have watched the swimmers progress and work towards their goals this past season.

Finishing the season with two big championship meets has also been a great finisher. The team atmosphere and culture at these meets were electrifying! The most incredible part of watching/being a part of these meets was seeing how close and supportive everyone has been. I knew that swimmers were excited to be there and proud to represent the Blazers.

Overall, Junior II group finished the season on a high note filled with success! Awesome job Junior III!

Thank you to all the assistant coaches for the hard work and families for supporting the Junior II group and Blazers!!
