This supplemental form must be submitted prior to receiving a meet sanction. This will be kept on file and reviewed by Missouri Valley Swimming staff. This form is for one facility. If your team uses multiple facilities to host meets, you must submit a form for each one.

Describe the local protocols governing swim meets at your facility.

Swimmers will meet at the Clerk of the Course, located outside on the outdoor pool deck. They will be assigned by assigned with each swimmer & heat being kept socially distant from the other. Those working the clerk of the course will be wearing a mask. Per YMCA protocols, being outside the swimmers and parents are not required but are encouraged to be wearing masks. They will have to remain socially distant from each other. Swimmers for upcoming heat will enter the pool area once the previous heat is completed and swimmers from that heat have begun to exit the pool

Describe your plan for spectator ingress, egress, and any limitations you may place on spectators.

Spectators will be on our outside pool deck and are required to bring their own chairs and not share with others. They will be encouraged but not required to wear masks outside per YMCA policy. Immediate family only will be allowed to attend the meet but no extended family to limit the number of spectators. Spectators will be allowed inside the pool area the heat prior to their child swimming. They will be required to wear a mask prior to entering the pool area and this is to be monitored by one of our Meet Marshalls.

List the planned capacity of individuals gathering on the pool deck, spectator areas, and other areas

Swimmers and Immediate family are the only ones allowed to attend this meet to limit the number of spectators. This will be monitored upon entrance to our outdoor pool deck. Friends and extended family are not permitted to attend. Meet Marshal will monitor the area to make sure that parents are setting up their own chairs socially distant from others.

List the considerations put in place guaranteeing a parent's access to their swimmers and ability to observe their actions

Our Clerk of the Course will be provided with a set of radios along with one of our meet marshalls. The Clerk of the Course will radio to the Meet Marshall to announce what heat is about to be entering the pool deck. This will give those parents plenty of time to gather their mask and enter the pool area prior to their Swimmer getting in the water.
