This supplemental form must be submitted prior to receiving a meet sanction. This will be kept on file and reviewed by Missouri Valley Swimming staff. This form is for one facility. If your team uses multiple facilities to host meets, you must submit a form for each one.

**Describe the local protocols governing swim meets at your facility.** Mass gatherings are being limited to 100 people but we could be exempt if we sit 6 ft. apart from other groups that are not family members.

With this new order, we want to keep everyone safe and will keep the number of people in the pool to the 100 mandate. Below is the county order.

Masks will be required.

**Describe your plan for spectator ingress, egress, and any limitations you may place on spectators.**

With maintaining the 100 people limit, we will not allow spectators on the pool deck so that we have room for the maximum amount of swimmers for each team.

**List the planned capacity of individuals gathering on the pool deck, spectator areas, and other areas**

The pool deck will consist of:  
Officials  
Swimmers- Roughly 25 per team  
Timers

Coach's/Team Marshall

There will not be a crash area. Swimmers will sit in their designated areas.

Each team will be assigned a location on the pool deck where they will sit with their team and be socially distanced.

**List the considerations put in place guaranteeing a parent's access to their swimmers and ability to observe their actions**

We are working on setting a Facebook live session for the parents to view their swimmers. We will also have a team Marshall to watch the swimmers.

We will also have meet mobile set up so parents can view times.
