

We are asking that you login to declare whether or not you're going to each of the meets. For the 2019 summer year, I have pre-declared confirmation for each of your swimmers. If you are NOT going to attend any of the meets, you will need to declare this by the **Friday prior to the weeks meet** . For the GPSL Finals, the team has a financial penalty if you do not show up.

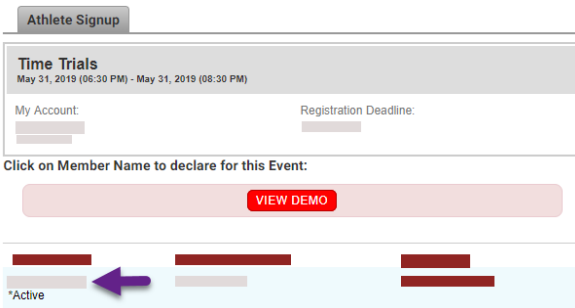

The process is simple. Once you have signed in, in the menu select "Events & Competition" > "Team Events"

This will display a page listing all the team events. Click on the "Edit Commitment" button next to the desired event.

Click on your member (swimmer) name:

Answer the declaration for the swimmer (stating yes to attend or no to not attend). In the box below the declaration, please provide any notes you would like the coach to see. Click "Save Changes" when done.
