

BROWNELL TALBOT

Job Title - Head Masters Swim Team Coach

Job Type - Part Time

Our Vision

Brownell Talbot Aquatics will be the recognized authority and leader in compassionate coaching and competitive swimming instruction for young people. BT provides programs that will exemplify three aquatic components: educational, recreational, and competitive programs. BT Aquatics achieves excellence in innovative programming, customer service, and technical proficiency while building on the tradition of excellence at Brownell Talbot School.

Purpose

BT Aquatics strives to make a positive difference in the lives of its team members by promoting good sportsmanship, biomechanically sound techniques, nutrition, healthy lifestyle, balance, commitment, responsibility, love for the sport of swimming, and self respect. We are committed to creating an environment where each individual athlete may realize his or her own potential. We believe that the healthiest motivation for a student is the motivation that comes from within, and we endeavor to draw out each student's natural energy, hope, and courage, thereby fueling the pursuit of their dreams.

Position General Description

The Brownell Talbot Masters Swim Team is an adult swimming program that is run by Brownell Talbot. The Masters Swim Team is managed by the Aquatics Director that directs and organizes the program. The position of Head Masters Coach will report directly to the Aquatics Director.

The program has approximately 42 swimmers with (5) main workouts Monday through Friday. There is the possibility to add Saturday and/or Sunday workouts for the motivated coach. This position would require varying work hours that include mornings, evenings, and possibly weekends.

Duties/General Responsibilities:

- Coach adult swimmers with competitive and non-competitive backgrounds: ages 18 and older.
- Create and coordinate structured workouts for the team.
- Promote and expand the team membership through team building and a positive attitude.
- Keep track of attendance for billing purposes.
- Schedule and assist in hosting home masters meets.
- Teach, instruct, and correct swimmers at every opportunity.
- Actively promote open water, pool, and triathlon competitions.
- Performs related work as required and as directed.

Work Schedule

Hours: 10-12 hours per week.

BROWNELL TALBOT
