

Sarpy County Swim Club

Photography Policy

Upon registering for Sarpy County Swim Club, members grant team officials/official team photographer to take photos and videos of their swimmer in the context of promoting swimming and the club. Photos may be used in meet photo galleries shared with club members using the TeamUnify mail software in a password protected gallery, promotion of SCSC, and other appropriate methods. Parents have the right to refuse consent of their child being photographed, this can be done by contacting a board member via email.
