

## Team Photography Policy

There has been much talk about whether it is safe to have images taken of children participating in sports. While the great majority of images are appropriate and are taken in good faith, it is a fact that images can be misused and children can be put at risk if common-sense procedures are not observed. Sailfish has enacted the following photography policies:

1. The publishing of a photograph of swimmer under 18 either on a notice board or in a published article or video recording (including video streaming) of swimming competitions ("publication") should only be done with parents' consent per the attached form.
2. A parent or guardian has a right of refuse to have children photographed. The exercise of this right of refusal cannot be used as grounds for refusing entry into a swimming competition. Therefore any photo that may go to press or on a notice board, be it through a member of the club or official photographer, should receive parental consent before publishing/displaying the photo, preferably in writing. A suggested form allowing parents to indicate refusal of consent is to follow.

In the case of open meets and other competitions where the host club has an official photographer present, all parents attending will be made aware of this in the meet information. If photos are to be published anywhere, the individual parents will be given the opportunity to withhold their consent. A parent's right to do so will be specifically drawn to their attention.

All photographs must observe generally accepted standards of decency in particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swim suit.
- Photographs should not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs should not be taken in locker-rooms or bathrooms.

**Consent Form - To be signed with 2019-2020 and future registrations**

Sailfish Aquatics may wish to take photographs (individual and in groups) of swimmers under the age of 18 that may include your child during their membership in the club. All photos will be taken and published in line with club policy. The club requires parental consent to take and use photographs.

Parents have a right to refuse agreement to their child being photographed.
