

East Carolina Aquatics has a financial aid/scholarship program that exists for the sole purpose of helping members through periods of financial hardship. Scholarships are available annually until funds are depleted. The program is designed to cover the cost of the swimmer's dues for a period of up to one year. The eligibility period is from the beginning of the short course season (September) through the end of the long course season the following August. The program does not cover registration, meet fees, or other swimming expenses.

Financial assistance is based on a sliding scale considering family income, number of swimmers, the amount of members in family household, and hardship expenses.

Families that apply will have to comply with the requirements as set forth below. Failure to do so can lead to the termination or lack of eligibility for aid.

Applications are considered in the order that they are received. For the **2021-2022** swim year, applications will be accepted starting August 15, **2022**.

Please submit the completed form and supporting documentation in a sealed envelope to the ECA Vice President. You may do so in person, by email to lisalawlesswim@gmail.com, or by mailing to the team address:
