***Athletes -Safe Sport for Athletes Online Course, title "Safe Sport for Athletes" is for swimmer's 12-17 years of age. Swimmer's 18&Older need to complete the Parent's & Adult Athletes section, below.***

Please read the "Instructions for Completion" found at the link below prior to beginning.

Athletes should take the course, "Safe Sport for Athletes"

USA SWIMMING MEMBERS may access the course via [www.usaswimming.org/learn](http://www.usaswimming.org/learn)

NON-MEMBERS may access the course via [learn.usaswimming.org](http://learn.usaswimming.org)

-----

Adult Athletes & Parent's who ARE USA Swimming Members should take the "Athlete's Protection Training" course

-----

Parents should take the course, "Parent's Guide to Misconduct in Sport"

This course is designed for athlete's 18 & Older and swim parents to understand the Safe Sport program and their role in working with the swim club to provide a safe, healthy, and positive environment for the swimmers.

To begin you must create a parent/non-member account. Once your account has been created you can "purchase" the Safe Sport Course for \$0.00 (it's FREE). This will add the course to your dashboard where you will be able to access it.

**FOR these USA SWIMMING MEMBERS:** Access the training for parents at [www.usaswimming.org/learn](http://www.usaswimming.org/learn)

**FOR NON-MEMBERS:** You can create a free non-member education account and access the training for parents at [learn.usaswimming.org](http://learn.usaswimming.org)
