

HILLSBOROUGH AQUATIC CLUB LOCKER ROOM MONITORING POLICY

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas. HAC practices at the Orange County Sportsplex and/or various long course facilities nearby. These locations have locker room / changing areas that are shared with the community, Sportsplex membership and guests. As such, there are likely to be people who are not associated with HAC in the changing area at, during and around the time of practice.

- Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.
- We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the coach or administrator know about this in advance if appropriate.
- If an athlete needs assistance with his/her suit (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that parents let the coach or an administrator know beforehand that he or she will be helping the athlete.
- HAC has staggered practices, with different groups arriving and departing throughout the day. It is therefore not practical to constantly monitor locker rooms and changing areas over this extended course of time. While we do not post staff, coaches, parents, or other adults inside or at the doors of the locker rooms and changing areas, we may make occasional sweeps of these areas. Staff, coaches, parents, or other adults conduct these sweeps, with women checking on female locker rooms, and men checking on male locker rooms.
- Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and

changing areas. The USA Swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

305.3 *Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms or locker rooms.*
