

Below you will find the amended 2019 Short Course Meet Schedule for HCAC. The changes are in regards to the location and/or dates for the first two meets of the season. The coaching staff reviewed dictating schedules and possible options for what is best for the immediate and long-term development of our swimmers for the 2019-20 Short Course Season. Many of the circumstances leading to this are not under our control and we apologize for having to adjust this schedule and any inconvenience it may cause.
