MARLINS OF RALEIGH

SWIM TEAM

“DEVELOPING CHAMPION ATHLETES AND CITIZENS THROUGH COMMITMENT TO EXCELLENCE IN SWIMMING”

CHALLENGING TIMES BRING OPPORTUNITIES

As you all know, USA Swimming has cancelled all sanctioned events through April 30th. We had many swimmers who were well prepared for AG Sectionals and Tarheel States. The work and preparation do not go for naught. You are all stronger, fitter and more confident as a result of the time put in to practicing and preparing. You are more skilled at technique and turns than you were in September. You are all mentally stronger as a result of either attending the Goldberg Sports Psychology Seminar or receiving lessons learned by your coaches from Dr. Goldberg. You don't need a time on a scoreboard to show you that...it has already happened. Growth only comes from being challenged and these are great opportunities for growth. Our grandparents lived through World War II and we will come out stronger once this Coronavirus finally is defeated. Stay safe and read about the outstanding accomplishments of our swimmers at B/C States.

MOR SHOWS HARD WORK MAKES YOUR OWN LUCK AT B/C STATES!

MOR AWARDS CEREMONY TO BE RESCHEDULED IF POSSIBLE

As a result of the Coronavirus, MOR has removed our Awards Ceremony from the April 25th date. We will attempt to reschedule if possible but will not work on it until things open back up. Swimmers will receive their awards, just presented in a different format once things return to normal. We have much to celebrate this year and parents should congratulate their children on their hard work, perseverance and tenacity. Many lessons have been learned and the process of growth is key to achieving goals. We are proud of all of you. More info will come in future weeks.
