

All American Swim is proud to serve **NCAC** families as your official team dealer. We truly appreciate your business. Whatever your swimming needs may be, our knowledgeable and friendly staff is here to help.

All American Swim wants to help your family get off to a great start for 2020 Short Course Season. Our Cary store is open and stocked with all your needs. Coaches have provided us with team equipment lists to help you choose exactly what you need. We will be offering great deals on goggles, practice suits, caps, and apparel during the fall "Gear-Up" period. We are allowing suits to be tried on, as we know proper fit is important.

Social Distancing, mask wearing, and frequent cleaning is a priority! We will limit the number of shoppers in the store to 10 at a time, to allow everyone space. If you arrive and the store is full, please be patient as the staff is doing their best to meet everyone's needs.

If you prefer to shop with curbside pick-up, we can also help you get what you need over the phone. We are also willing to ship your order to you.

There are several benefits to purchasing your suits/gear through All American:

- Year-long discounts on team suits, technical suits, and swim gear
- Staff that already knows everything you need for your team/group
- Expert fitting on swimwear including technical suits
- 10% off any regular priced in-store items just for our sponsored teams
- Your previous purchases saved so you can repurchase easily.
- Generous return policy/Seasonal sales/Fun swim-related items in store

You have three ways to purchase your gear for the new season:

- 1) Shop your team online store – www.allamericanswim.com and click on team login on top right. Type in username: **northcarolina** and password: **aquaticclub**
Items ordered online are delivered right to your home and are available throughout the year.
- 2) Shop in store
All American Swim Cary 1231 NW Maynard Rd Cary, NC 27513
919-439-8678 Hours: Monday-Thursday 10A-6P and Sat. 10a-3p
- 3) Call the store to place an order and we can have it available curbside or ship it to your home.
