Welcome to Raleigh Swimming Association's Swim Team!

Raleigh Swimming Association (RSA) is an organization dedicated to providing affordable, exceptional aquatic programming tailored to the needs of the individual. RSA's flagship program, the swim team, was founded in 1960. Our technique-based program is designed to promote stroke efficiency and speed. In addition, we employ the highest caliber coaching staff committed to providing a safe, healthy, positive environment that fosters good sportsmanship, teamwork and leadership.

At RSA, we teach and develop all four competitive strokes and emphasize the importance of streamlining, kicking, body position and body awareness. RSA's program is designed to give every athlete the opportunity to excel, the confidence to succeed and the chance to swim in college.

At RSA, we are more than just a swim team. Our organization is a place where swimming is the medium through which swimmers are molded, friendships are fostered, character is nurtured and dreams come true. Join us in our vision.

RSA Practice Facility

RSA trains at our facility, the William H. Sonner Aquatic Facility (Sonner). Sonner is conveniently located near Crossroads, just off I-440, at 1013 Jones Franklin Road in Raleigh, NC.

New Athlete Evaluations

New athletes are evaluated for group placement by our coaching staff to ensure appropriate group placement. Evaluations are held every Tuesday and Thursday at 7:30 pm, with the exception of the summer months, (June through August). Summer group evaluation dates are posted on the website. Please email eval@swimrsa.org to request an evaluation.

Individual evaluations may be scheduled by emailing eval@swimrsa.org or by calling (919) 859-4881. All evaluations are conducted at the Sonner Aquatic Facility (1013 Jones Franklin Road, Raleigh, NC 27606).

Annual Commitment Groups

Nova

The Nova group is capped at 36 athletes and includes athletes as young as 6 and as old as 9. Typically, Nova athletes have four* practice opportunities each week with dryland exercise twice* a week for fifteen minutes. We recommend that a Nova athlete attend two practices each week. Water time for the Nova group is one hour per practice. In order to maximize stroke instruction within the group, RSA maintains a coach to swimmer ratio of 1 to 18. The goals of the Nova group are to build swimmer technique, introduce swimmers to competitive swimming, have fun and enjoy the sport of swimming.

Dolphin

The Dolphin group is capped at 38 athletes and includes athletes ages 8 to 10. Dolphin practice is offered six* times weekly with thirty minutes of dryland exercise twice* weekly. We recommend that Dolphin athletes attend three practices a week. The Dolphin group has one hour or one hour and fifteen minutes of water time for each practice. The swimmer-coach ratio is maintained at 1 coach for every 19 athletes. This facilitates forming sub-groups within the Dolphin group to optimize instruction for athletes of various skill levels. The overall goals of the Dolphin group are to transition swimmers from 10 and under to 11-12 competition, as well as to have fun and enjoy the sport of swimming.

Wahoo

The Wahoo group is capped at 38 athletes. This group includes athletes who are 9 to 11 years old. Practice is offered a total of six* times each week. We recommend that Wahoo athletes attend four practices each week. Water time for the Wahoo group is one hour and thirty minutes per practice. Dryland exercise for the Wahoo group is offered three* times each week for thirty minutes each session. The coach to swimmer ratio in this group is maintained at 1 coach per 19

athletes to ensure that each athlete gets adequate technique attention. Overall, the goal of the Wahoo group is to provide tailored training to the more advanced age group swimmers.

Mackerel

The Mackerel group includes athletes between the ages of 11 and 14, *primarily in middle school*, and is capped at 26 athletes. Mackerel practice is offered six* times weekly with thirty minutes of dryland exercise three* times weekly. We recommend that Mackerel athletes attend four practices a week. Water time for the Mackerel group is one hour and fifteen minutes or one hour and thirty minutes per practice. Intensity is increased from the Dolphin group, but technique remains an integral part of the group. The overall goal of the Mackerel group is to refine the skills necessary to move into the Cobia group or the Barracuda group.

Barracuda

The Barracuda group practices six* times each week. We recommend that athletes attend five practices during most weeks of the year. Water time for the Barracuda group is one hour and forty-five minutes per practice with dryland exercise offered three* times a week for thirty minutes each. This group is capped at 38 athletes, typically ranging in age from 11 to 13 years old. Barracuda has a large age overlap with several groups, but requires the highest skill level. Though intensity is increased, technique is still an integral part of the group. Technique work is focused largely on precise parts of any given stroke or skill. The goal of this group is to prepare swimmers to compete in the 13-14 age group.

Cobia

The Cobia group is offered seven* practices weekly. It is recommended that athletes attend five practices during most weeks of the year. Water time for the Cobia group is one hour and forty-five minutes per practice. At the direction of the Cobia Lead Coach, Cobia athletes should attend one PreSenior practice weekly. Dryland exercise is offered three* times a week for thirty minutes each session. This group is capped at 24 athletes, typically ranging in age from 12 to 14 years old. Though intensity is increased, technique is still an integral part of the group. Technique work is focused largely on precise parts of any given stroke or skill. The goal of this group is to hone the skills necessary to compete in the 13-14 age group and move into the PreSenior or Senior Silver group.

PreSenior

The PreSenior group is offered seven* practices weekly. It is recommended that athletes attend five practices during most weeks of the year. The PreSenior group is capped at 34 athletes. Water time for this group is two hours daily with thirty minutes of dryland exercise three* times weekly. Swimmers in this group are between the ages of 13 and 15 and are highly committed to swimming. Pace is emphasized and anaerobic training is introduced. The goal of the PreSenior group is to enable athletes to compete at the 13-14 Age Group Champs and to prepare for Senior level meets.

Senior Silver

Senior Silver is a bridge group from Cobia and PreSenior to Senior Gold, as well as an alternative for athletes interested in pursuing their swimming goals at a lesser intensity than Senior Gold. Athletes in this group **must be in high school** and range in age from 14-19. Practices are offered nine to eleven* times weekly with the expectation that seven of those practices will be attended. The group is capped at 20 athletes. Water time for the Senior Silver group varies. Five sprint practices are offered weekly, in addition to 2 weekend practices of two hours each and up to four morning practices of one and one-half hours each. At the direction of the Lead Coach, Senior Silver athletes should attend two Senior Gold practices weekly. Dryland exercise is offered three* times weekly: two sessions of thirty minutes and one session of sixty minutes. The overall goals of the Senior Silver group are to facilitate the growth of swimmers to their maximum potential, to enable the athletes to qualify for Senior Champs and to prepare for Senior level swimming. Like Senior Gold athletes, athletes in the Senior Silver Group are highly committed to swimming and are expected to act as role models for the entire swimming program at RSA.

Senior Gold

Senior Gold practices introduce race specific training and offer high intensity workouts. Athletes in this group **must be in high school** and range in age from 14-19. Practices are offered nine to eleven* times weekly with the expectation that seven of those practices will be attended. The group is capped at 31 athletes. Water time for the Senior Gold group includes morning and afternoon practice opportunities. Water time varies from ninety minutes (mornings) to two hours (typical afternoons) to two hours and fifteen minutes (summer/holiday mornings). Dryland exercise is offered four* times weekly: two sessions of thirty minutes and two sessions of one hour. The overall goal of the Senior Gold group is to facilitate the growth of swimmers to their maximum potential. Athletes in the Senior Gold Group are highly committed to swimming and are expected to act as role models for the entire swimming program at RSA.

Monthly Commitment Groups

Tarpon (Early MW, Early TH, Late and Evening)

Tarpon is a preschool entry-level group for swimming at RSA. This group is designed to teach three to five year-old swimmers how to properly swim freestyle and backstroke, as well as to introduce other competitive strokes. Since technique is the primary focus, the group is capped at 16 athletes per practice group with a low coach to swimmer ratio of 1 coach per 4 athletes. Coaches provide in-water instruction to athletes. Practices are forty-five minutes long and are offered two* times per week from September through May. The goals of the Tarpon group are to foster a lifelong love of swimming, introduce young swimmers to swim team and prepare them for the Sea Star group. Tarpon Early MW, Tarpon Early TH, Tarpon Late and Tarpon Evening are **four different practice groups** within the Tarpon group.

SeaStar

Sea Star is the school-aged entry-level group for swimming at RSA. This group aims to teach young swimmers between the ages of 5 and 8 how to properly swim the four competitive strokes. Since technique is the primary focus, the group is capped at 26 athletes with a low coach to staff ratio of 1 coach per 6 athletes. In-water instruction is paired with on-deck instruction for the athletes. Practices are forty-five minutes long and are offered three* times per week. The goals of this group are to introduce young swimmers to swim team, foster a lifelong love of swimming, introduce athletes to competitive swimming, if desired, and to prepare athletes to move to the next level of swimming.

Jack

Jack is the monthly commitment group for **elementary school athletes**, athletes primarily between the ages of 8 and 10 years old, who want to swim throughout the year, but may want to take time off during holidays or for other sports. The group is capped at 35 athletes. Practices for this group are offered four* times a week with an hour of water time. Dryland exercise is offered two* times weekly for thirty minutes per session. Meet participation is encouraged for the Jack group, but is optional. The goals of this group are to promote good swimming technique and prepare the athletes for the next level of swimming (if desired), increase the athlete's fitness level and foster a life-long love of swimming.

Mako (1 and 2)

Mako is the monthly commitment group for **middle school athletes** and is capped at 16 athletes per practice group. Practices for this group are offered three* times weekly with one hour and fifteen minutes of water time and thirty minutes of dryland exercise at each practice. Meet participation is encouraged for the Mako group, but is optional. The goals of this group are to promote good swimming technique and prepare the athletes for the next level of swimming (if desired), increase the athlete's fitness level and foster a life-long love of swimming. Mako 1 (M,W,F) and Mako 2 (T, Th, S) are two different practice groups within the Mako practice group.

Blackfin

Blackfin is the monthly commitment group for **high school athletes**. The group is capped at 20 athletes. Practices are offered six* times per week with a minimum of 1 hour of water time for each practice and 30 minutes of dryland exercise three* times weekly. Meet participation is encouraged for the Blackfin group, especially those planning to swim for their high school teams, but is optional. This group is ideal for swimmers who are not interested in the commitment level of the Senior Silver or Senior Gold groups and want to improve their skills for the high school swimming season OR other athletes who want to cross-train during their chosen sport's offseason or maintain a high fitness level.

***Note: No practices are offered on meet weekends if all athletes are eligible to attend the meet. Practices for certain groups will not be offered if all athletes in those groups are eligible to attend the meet. Practice length (water time and/or dryland exercise) may be altered at the discretion of the coaching staff during taper periods, meet weekends and other season transitions.**

Athlete Service

Each athlete is expected to participate in at least one RSA service activity. Athletes in the Barracuda, Cobia, Mackerel, PreSenior, Senior Gold and Senior Silver practice groups are expected to participate in **an additional facility service activity**.

For families with three athletes, the lowest of the athletes' dues receives a 25% reduction, the second lowest receives a 15% due reduction, and the third must be paid in full. RSA offers credit card processing through TeamUnify via a third party processor, as well as ACH (bank draft). For each credit card transaction, the third party processor charges a fee of 2.95% of the balance + \$.30. There is no additional fee to members for ACH transactions.

The first payment may be made via check or cash if invoices have processed for the current month at the time of registration. Registration fees must be paid via credit card through the TeamUnify portal.

Meet registration is subject to an electronic payment method being 'loaded' into TeamUnify.

Members have the option of paying the annual dues in full for a **5% discount by October 15, 2018**. In the event of early withdrawal, **dues paid in advance are not refundable**. Please contact finances@swimrsa.org if you are interested in taking advantage of this discount.

Late Fees

The total balance reflected on the monthly invoice is due on the 1st of the month and is past due after the 5th of the month. This balance includes dues and all other fees. A late fee of \$25.00 will be assessed on past due accounts. A late fee of \$100.00 will be assessed if the account is sixty (60) days or more past due. **Meet registration and ancillary charges to accounts will be denied to accounts thirty days or more in arrears. For accounts sixty days or more in arrears, athletes will not be allowed to participate in any part of the program including swim practice, swim meets or other team activities.**

Dues Reduction

Dues reduction programs are offered to enable members to volunteer at various venues, refer a friend or family member or purchase gift cards to reduce their monthly dues invoice.

Swim Team Referral Program

RSA offers a referral credit for members who refer new members. If a member family refers a new family to RSA and that family joins the swim team, the referring family will receive a one-time credit toward their dues of \$50.00 per family referred. Please be mindful that group caps may impact referrals. Families being referred should contact eval@swimrsa.org to set up an evaluation and note the referring family on the evaluation form.

RSA participates in additional dues reduction opportunities, including volunteering at PNC, Koka Booth and golf tournaments, as well as using the SCRIPs program.

Capital Campaign

There is a Capital Campaign fee of \$400.00 for each new athlete (**with the exception of new Tarpon, SeaStar and Jack athletes**). *Nova athletes pay half of the Capital Campaign the first year and the remaining balance the second year (\$200.00 the first year and \$200.00 the second year). Athletes who enter our program as Tarpons, SeaStars or Jacks will pay the Capital Campaign fee when they move to an annual commitment group (for example, from SeaStar to Nova) or a monthly commitment group requiring Capital Campaign (for example, from Jack to Mako). **Note the Capital Campaign fee is capped at \$800.00 per family.**

The Capital Campaign fee is billed monthly in twelve equal installments, provided the athlete swims with RSA from September through August*. For annual commitment athletes, the Capital Campaign Fee is due in full with the final payment if the Early Withdrawal Option is exercised. For monthly commitment athletes, the Capital Campaign Fee is paid monthly while on a scheduled leave from swimming. If a monthly commitment athlete exercises the Early Withdrawal Option, the Capital Campaign Fee is due in full with the final payment.

Capital Campaign Fee is a one-time fee, applicable to new members (other than Tarpon, SeaStar and Jack athletes) and 2017-2018 returning athletes promoted from Tarpon, SeaStar and Jack. Capital Campaign for Nova athletes entering the RSA program in 2018-2019 is paid in 24 monthly installments (\$200/12 for the first year and \$200/12 for the second year) unless the Early Withdrawal Option is exercised, at which time the remaining balance (\$400.00 less amount paid) is due.

Meet Entry Fees and Meet Escrow Account

Meet entry fees are included in the monthly statement if an athlete is entered in a swim meet. If an athlete is entered in a meet (committed via TeamUnify), the athlete must withdraw (scratch) from the meet by the entry deadline via TeamUnify (swimrsa.org) to avoid being charged meet entry fees. If the athlete does not withdraw from the meet prior to the published deadline, the athlete's account will be billed for the entry fees.

Each annual commitment athlete is required to establish a \$150.00 meet escrow account by September 20, 2018 if registering by August 28th, 2018 or within thirty days of registration and prior to the athlete's first meet if registering after August 28th. Monthly commitment athletes must establish a \$100.00 meet escrow account when committing to swimming in their first meet. Please note the meet escrow account for annual commitment athletes **will be billed through Team Unify if not established by September 20, 2018**. Prior to September 20th, a check, made payable to RSA, may be mailed to RSA, PO Box 488, Cary NC 27512 OR dropped off in the Sonner office during business hours. Or, a credit card payment may be made via phone or in person at the Sonner office.

Meet escrow account funds are used to pay an athlete's meet fees at meet entry. The funds are replaced when the account is billed and the bill is paid. At the end of the year, any unused funds will be applied to the escrow account for the coming year. Meet escrow account funds are nonrefundable to athletes who leave RSA. Unused meet escrow funds for graduating high school seniors will be credited to the member account in the final invoice.

Early Withdrawal and Leave

Annual Commitment:

An annual commitment athlete who wishes to withdraw prior to the end of the swim year (August 31st) must provide a written Early Withdrawal notice to finances@swimrsa.org by the 20th of the month for which the member family wishes the withdrawal to be processed. The athlete may not practice with the swim team after the date of the notice.

If the athlete is in the Nova, Dolphin or Wahoo practice group, dues for the following month, as well as any additional fees, including uncharged meet fees and any account balance, must be paid in full to fulfill the member's financial commitment to RSA. In addition, the final invoice will include any remaining Capital Campaign Fee balance. Note meet escrow funds will not be refunded.

If the athlete is in the Barracuda, Mackerel, Cobia, PreSenior, Senior Silver or Senior Gold practice group, the lesser of three (3) months of dues or the dues remaining for the swimming year (dues through August), as well as any additional fees, including uncharged meet fees and any account balance, must be paid in full to fulfill the member's financial commitment to RSA. In addition, the final invoice will include any remaining Capital Campaign Fee balance. Note meet escrow funds will not be refunded.

Example 1: Joe Smith sends an email regarding his **Nova athlete**, Sam, to finances@swimrsa.org on May 17th regarding the desire to execute an early withdrawal from the **Nova** group. The Smith family owes \$76.00 for ancillary fees billed since the last invoice, in addition to meet fees of \$42.00 not reflected on the account yet due to a meet the previous weekend. Nova dues for June are \$159.00. Nova dues for May have already been paid. The Smith family paid their Capital Campaign fee of \$400.00 upfront; otherwise, they would owe \$33.33 for the remaining months (June through August). Therefore, the Smith family will owe $\$76 + \$42 + \$159 = \277 to withdraw from the program. Sam will not be able to swim with RSA as of the date of the withdrawal notice.

Example 2: Sally Jones sends an email regarding her **PreSenior athlete**, Suzie, to finances@swimrsa.org on April 17th regarding the desire to execute an early withdrawal from the **PreSenior** group. The Jones family owes \$76.00 for ancillary fees billed since the last invoice, in addition to meet fees of \$42.00 not reflected on the account yet due to a meet the previous weekend. PreSenior dues are \$270.00 monthly; PreSenior dues for April have already been paid. As the lesser of three months' dues or the balance for the year is three months, the dues portion of the final payment will be \$810.00. The Jones family paid their Capital Campaign fee of \$400.00 upfront; otherwise, they would owe \$33.33 for the remaining months (June through August). Therefore, the Jones family will owe $\$76 + \$42 + \$810 = \928 to withdraw from the program. Suzie will not be able to swim with RSA as of the date of the withdrawal notice.

Monthly Commitment:

For monthly commitment athletes who want to 'suspend' or 'take a leave,' but will be returning in the current swim year, a written notice of leave must be provided to finances@swimrsa.org by the 20th of the month for the leave to be

processed for that month. Any fees, including uncharged meet fees, and any account balance, must be paid in full to fulfill the member's current financial commitment to RSA, with the exception of the Capital Campaign fee which the member may continue to pay monthly until fulfilled. The athlete must also send a written return notification to finances@swimrsa.org by the 20th of the month preceding the month of return.
