

Hello Swimmers and Parents,

We have updated the Cocoa Beach webpage. We are holding off on rooming lists until after Christmas, because some are receiving trip as a present. It was very difficult to do rooming assignments this year and honor everyone's request; plus keep our own standards. Please remember it is a long trip and you are just sleeping in the rooms, lights out until wake-up in the morning. Also, this list, when it is released, as well as the Cocoa Beach Basic Rules, are all subject to change at anytime.

We will be sending out emails almost daily now through the time we leave - here are some important reminders about leaving Monday night, December 28th:

1. We will be doing bag checks again BEFORE loading the bus at Bryan YMCA, these will begin at 8:30pm. PARENTS: Please help us ensure that there is no alcohol, tobacco products, or anything illegal in son/daughters bag, they will not be allowed on the trip and their violation will obviously be very public as everyone will notice. The procedure will be for children to unload all items on a table, show us an empty bag, and then reload into his/her bag. Prescriptions and over the counter medications should be separated in a ziplock bag so we can see in full all at once what you are bringing.
2. We need everyone's Code of Conduct and Registration form, and arrangement for payment of final balance (if not paid already).
3. Bus leaves at 10:00pm on Monday night, and bag checks take a while...every year there is someone that does not realize it takes time to load up and check baggage. If you show up at 10:00pm that is way too late, you should plan to arrive no earlier than 8:30pm and no later than 9:15pm.
4. Parent, please have all swimmers review the GCY Code of Conduct, the GCY Nutrition Plan, and the GCY Basic Rules.

We will be updating page daily with all final information, here's what we have at this time:

Thanks everyone!

Coach Brad

(Chaperones and coaches, please report at 7:00pm Monday in order for a final brief meeting and to get in position for bag checks. We will have a male table and female table, separated, and you will have swimmers unload/reload everything)
