

Attention all SSS parents,

Our 2021 Open Water race will once again take place at **Lake Echo from June 4-5**. With COVID restrictions in place, we will run a smaller modified format with less entrants. It will be similar to our race last Fall. This race is a MAJOR fundraiser for our team allowing us to continue our operations. We have been hosting this race over 24 years, and it is known as the North Carolina Open Water Championship.

We are **attaching** the Sponsor Letter, so please take a look to see what is offered. We have scaled options back due to time limitations and COVID. **Every family is welcome to either sponsor OR find a sponsor. In either case, your family will get credit towards your Family Fundraising obligation for this swim year. If you have questions about your amount, please contact Marie at mcummings95@gmail.com** . We are on a tight schedule for Sponsors. T-shirt sponsors for \$300/\$150 are a fast way to meet your Family Fundraising obligation. Feel free to contact businesses you frequent in our community. **Logos ,etc. due by MAY 25.**

If you have any Sponsorship questions, please contact Lindley Fleury at lindley285@yahoo.com.

We also need for each Sandshark family to please sign up for **VOLUNTEERING** that weekend. Signups are on the website. Volunteering for this race (or providing a substitute) is mandatory. We can't run this race without our volunteers. Please contact Coach Ed with any questions.

Thank you for your support of the Sandsharks. We are excited!
