

*Piranhas 2021 Summer Schedule

The following schedule begins on **Wednesday, June 2, 2021** and runs until the end of the 2020-21 season on **Friday, July 30, 2021**. For the most part we will try to keep the schedule the same, but it is subject to change on a seasonal basis due to pool availabilities. All new schedules will be emailed out via Team Unify and then posted under the schedules tab on our website.

**The Marion schedule begins on June 7, 2021.*

**Reminder that the pool deck is still closed to parents during practice regardless of the covid-19 policies. This is a USA swimming policy that we do adhere to. Parents on deck can be distracting to coaches and swimmers. Feel free to email your child's coach or catch them before or after practice.*
