**RULES:** The meet will run under YMCA Rules that Govern Competitive Sports, Swimming Addendum to the YMCA Rules that Govern Competitive Sports, USA-S Technical Rules.

**MEET FORMAT:** The meet will be swum using a preliminary/finals format for 13 & Overs. Preliminaries will be swum together while finals will be broken out into 13/14 and Senior events. 12 & Unders will be timed finals. Swimmer's age will be determined as of the first day of the meet (July 9, 2021).

**EVENT SEEDING:** Events will be seeded Slowest to Fastest, except for the following events:

- 400 Freestyle
- 800 Freestyle
- 1500 Freestyle

These four events will be swum fastest to slowest and alternate girl's and boy's heats.

The Administrative Official reserves the right to combine heats where possible.

**SCRATCH PROCEDURES:** The NC Scratch Rule is in effect (see page 18). An athlete is considered entered into an event unless he or she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet.

**DECLARED FALSE START:** An athlete may also withdraw from a heat or swim-off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

**NO SHOW:** An athlete who is seeded in a positive check-in event and fails to compete (i.e., a "no show") will be scratched from his/her next event. An athlete who is seeded in a preliminary or time finals event and fails to compete will not receive further penalty for that specific "no show". The meet referee will have the discretion to allow a swimmer who misses their event to swim in an open lane of a different heat.

**WARM-UP SAFETY PROCEDURES:** Teams will be assigned lanes for warm-ups. No team has exclusive rights to any pool lanes during warm up period, during or before the start of the meet. Teams will need to share lane space and work cooperatively in reflection of the YMCA values and sportsmanship.

Athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to monitor them at all times during warm up sessions.

**STARTS:** 'Fly-over' starts will be used at this meet. All swimmers (except for Backstroke starts) should remain in the water at the completion of their race until the next heat has begun.

**SWIM-OFFS:** In the event a swim-off is necessary, the meet referee will set a time for the swim-off which will not be any later than 45 minutes after the last

heat of any event in which any of the swimmers in the swim-off is competing.

## North Carolina Scratch Rule

208.3. INDIVIDUAL SCRATCH RULE Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet announcement shall specify all mandatory check-in and scratch deadlines and procedures.

.1 Pre-Seeded Meets - Any swimmer not reporting for or competing in an individual timed final event shall not be penalized.

.2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch or as noted in 208.3.4 A or D. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet announcement states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 meters or longer may be closed for seeding up to twenty four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet announcement.

.3 Preliminary and Finals Events

A. Any swimmer not reporting for or competing in a pre-seeded preliminary heat when finals are scheduled shall not be penalized. If the preliminary heat is seeded on the deck then 208.3.2 applies

B. Any swimmer qualifying for an A final, scored or not scored, or B scored final race in an individual event who fails to compete in said A or B final race shall be barred from further competition for the remainder of the meet, except as noted in 208.3.4. For events occurring on the last day of a meet, a fine of \$100 per missed swim shall also be assessed to the club by the appropriate Division Chair for failure to compete. A

declared false start or deliberate delay of meet is not permitted and will be regarded as a failure to compete.

C. In the event of withdrawal or barring of a swimmer from competition, when possible, the Referee shall fill the A, B, or C final with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These and all other alternates and those qualifying for non-scoring B or C finals shall not be penalized if unavailable to compete

D. When the B or C final has not yet been swum and a barring or withdrawal is known in advance by the Referee, the Referee should re-seed the A, B, or C finals, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final. In order to prevent undue delay of the A, B, or C finals, the Referee may elect to fill the empty lane(s), without re-seeding, with the next qualified alternate, or if unavailable, the next qualified swimmer(s) who is/are present in the starting area and ready to swim

E. If a C or B final has already been swum, the A final of that event shall be swum without filling the empty lane(s)

.4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:

A. The Referee is notified in the event of illness or injury and accepts the proof thereof.

B. The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.

C. The swimmer was not named in any finals heat during the initial announcement of results

D. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

208.4. RELAY SCRATCH RULE

.1 All Meets - Any relay or relay member, in a relay event that fails to compete in or report for that event shall not be penalized.
