STATE GUIDELINES: [COVID-19 Updates and Information | Mass.gov](https://www.mass.gov/info-details/covid-19-updates-and-information)

**MEET FORMAT:** The meet will be swum as preliminaries and finals, with the exception of events 400 yards and longer will be swum as timed finals. For the preliminaries/final events, the 9-10 will swim as timed final, 11-12, and 13-14 events will advance one heat of 10 swimmers to finals, while the Senior events will advance two heats of 10 swimmers to finals. Swimmers must provide their own timers for events 400 yards and longer. No events will swim with more than one swimmer per lane.

**DISTANCE EVENTS** – 400 IM, 500, 1000 and 1650 Yard Freestyle will be mixed and swim fastest to slowest. All timed finals events will be swum to completion during preliminaries.

This meet will utilize a modified version of the USA Swimming National Championships scratch rule. All events, including relays are “scratch-only”; no positive check-in will be utilized. The scratch deadline for each day’s events is 6:30 PM the evening prior. Friday Scratches may be submitted via email to [nssc1@aol.com](mailto:nssc1@aol.com) or made on deck with the Administrative Referee at the meet. Saturday & Sunday scratches must be done at the meet prior to the scratch designated time.

Failure to compete in a preliminaries or timed finals heat will result in the swimmer being barred from all further competition that day, including relays and time trials. Additionally, the swimmer must positively check-in with the Admin Referee in order to be seeded in the remainder of the meet.

Failure to compete in the finals round of a prelim/finals event, without properly scratching will result in the swimmer being barred from all further competition for the remainder of the meet, including relays and time trials. If the swimmer has no further competition from which to be penalized, a \$100 fine will apply. Scratches from finals will be conducted in accordance with articles 207.11.6D and 207.11.6E in the USA Swimming rules. These scratches must be made with the Administrative Referee; email scratches from finals will not be accepted. A swimmer not originally announced or posted as qualifying for finals, who is seeded in a final due to the scratch of another swimmer, will not be penalized for failing to swim in that final; however, swimmers finishing within the top forty (40) are asked to scratch from finals if they do not intend to swim, so that the Administrative Referee will be able to properly seed the meet for finals.
