

Mei's Typhoons Swim Club (MTSC)

Short Course Yards (SCY) 2017-2018

Coach Mei Han of Mei's Typhoons Swim Club is pleased to provide details of the 2017-2018 Short Course Season. MTSC is a premier swim club training at Springfield College (SC) in Springfield Massachusetts.

Season

The SCY regular season will run from **September 25, 2017** through March 15, 2017 (the day before New England Silver Meet).

Swimmer Classifications

Juniors: 1 & 1/2 hour practice. This classification is for swimmers age 10 and under.

Age Group 1: 1 & 3/4 hour practice. This is generally for swimmers age 11 & 12.

Age Group 2: 2 hour practice. This is generally for swimmers age 13 and older.

High School (HS): This classification is for high school swimmers looking to train with MTSC throughout the SCY season. While it is recommended to attend MTSC practices as often as possible for the best training available, it is recognized this is not always possible while competing with their high school team.

HS Preseason: HS swimmers looking for quality training prior to the start of their HS season. The season runs from the start of the SCY season through the Sunday following Thanksgiving.

- If there is an excessive amount of swimmers signed up, we will give preference to Juniors, Age Group and High School (whole season) swimmers due to expensive pool rental.
