- **There is a new method of payment: \$20 per practice fee for high school swimmers during their high school swim season only, registering with MTSC but are not able to come to our practices regularly. But they have to choose one or another at the beginning of the season.**

If there is an excessive amount of swimmers signed up, we will give preference to Age Groups, junior and High School whole season swimmers due to the expensive pool rental.

The high school whole season swimmers should pay the Age Group 2 rate if they come more than twice a week during the HS season.

Season Fees are nonrefundable except for a season ending injury, a move from the area or an involuntary dismissal from the team (i. e. conduct).

Families with more than one swimmer will receive a \$50 discount for each additional child (not including high School Preseason swimmer).

All checks should be made payable to MTSC.
