

NEWTOWN HIGH SCHOOL MEET POLICIES

Welcome to Newtown High School. The following are guidelines regarding the use of the building during Yankee League meets.

GENERAL GUIDELINES

Areas we can use during a Yankee League Meet are the Pool and Locker Rooms, and Pool Observation Deck. The rest of the school is off-limits. Please make sure that any child with you, including swimmers when not on the pool deck, is not roaming the halls.

OBSERVATION DECK

The Observation Deck has a capacity of 113 people which must be adhered to per the Fire Marshall.

The Newtown Torpedoes Swim Team has implemented a wrist-band policy to manage the maximum capacity of the Observation Deck. Only people with wrist-bands will be allowed into the Observation Deck. Newtown parents will be monitoring the entrance doors and passing out wrist-bands as family members come to watch their swimmers compete. In order to ensure that everyone is able to watch their swimmers compete we ask that people leave the Observation Deck and return their wrist-bands to the monitors during periods when their swimmers are between events.

NO Swimmers will be allowed in the Observation Deck area.

NO personal chairs are allowed into the Observation Deck or can be set up in any Hallway within Newtown High School

CONCESSIONS

A Concession Stand will be set up near the Gymnasium for swimmers and family members.

POOL AREA

Only swimmers, coaches, and parent volunteers are allowed on the pool deck. Family members must watch the meet from the Observation Deck.

No food allowed on the pool deck.

LOCKER ROOMS

Swimmers can use the locker rooms to change, use the bathrooms, and shower after the meet. Swimmers are not allowed to stay in the locker rooms during the meet for any extended period of time.

NO Cell phones or any devices equipped with a camera are to be brought into the locker rooms. Any violation of this rule will be treated as a serious offense.
