Current members: Please do not create a new account! Tuition payment is due by check or cash prior to July 1, 2022. Credit cards will be charged on July 1, 2022, unless written cancellation in the program is received prior to July 1, 2022.

Returning Members: Please do not create a new account! Email program administrator Amy Murphy at AJMurphy032@gmail.com to reactivate your account. Payment is due by check one week from activation of membership or at time of activation by credit card.

Tuition payments: Please note the initial non-refundable tuition payment will secure your position in the program. However, it does not complete your registration until all forms are completed and processed. All positions in the program are first come – first serve. Credit cards must be on file for all accounts for all unpaid balances on the due date. Our program runs on automatic enrollment into the next season/ month. If you wish to cancel your registration, written cancellation (via email to the Program Administrator Amy Murphy) in the program must be received prior to the due date or credit cards will be automatically charged for tuition on these dates.

Tuition does not include clothing or USA Swimming registration. Clothing requirements and USA Swimming will be billed to accounts for September 1, 2022 and at time of registration for all other seasons. These are one-time annual charges.
