Tuition does not include: Clothing or USA Swimming. This is tuition only.

**Payment Plan Registration:** Credit cards will be automatically charged for tuition at the time of registration (new members) or on the dates of the payment plan (enrolled members). Payment Plan registration tuition is non-refundable. If using the payment plan option, you are responsible for the full season amount regardless of participation or cancellation for each season charged. Tuition registration renews from month-to-month and season to season unless written cancellation is received prior to the first payment of a new season. Credit cards must be on file for future clothing and swim meet charges. New members must decide before the end of their first payment period to unenroll or convert to season in full, in writing or will be automatically charged for the next payment. All positions in the program are first come – first serve.
